

**MINUTES AND MEMORANDA OF A MEETING  
OF  
THE BOARD OF DIRECTORS OF  
INDIANA HOUSING AND COMMUNITY DEVELOPMENT AUTHORITY**

Held: March 25, 2021

A regular meeting of the Board of Directors of the Indiana Housing and Community Development Authority (“IHCDA” or “Authority”) was held on Thursday, March 25, 2021 at 10:00 a.m. telephonically.

The following individuals were present telephonically: Lieutenant Governor Suzanne Crouch; Indiana Treasurer of State Kelly Mitchell; Mark Pascarella (Indiana Public Finance Director designee); Board Member J. June Midkiff; Board Member G. Michael Schopmeyer, Board Member Andy Place, Sr; Jacob Sipe (IHCDA Executive Director); members of the staff of the Lieutenant Governor, members of the staff of the Authority, and the general public. Board Member Tom McGowan was not in attendance.

Suzanne Crouch served as Chair of the meeting, and upon noting the presence of a quorum, called the meeting to order. Shenna Robinson served as Secretary.

**I. Approval of Minutes**

**A. Meeting Minutes**

A motion was made by Mark Pascarella to approve the February 25, 2021 Meeting Minutes, which was seconded by Kelly Mitchell and the following Resolution was unanimously approved:

**RESOLVED**, the Minutes of the Board meeting held on February 25, 2021 are hereby approved to be placed in the Minute Book of the Authority.

**II. Real Estate Department**

**A. Anchor Employer Workforce Housing Demonstration Program**

Chairperson Crouch recognized Samantha Spergel, who presented Anchor Employer Workforce Housing Demonstration Program.

**Background:**

A lack of affordable workforce housing is a growing problem for employers and the talent they are looking to retain or attract. When businesses consider relocating or expanding operations, the access to a robust and skilled workforce is a key determinant as to where and if they can grow. One mitigating factor to accessing talent is a lack of affordable housing. To retain or attract the appropriate talent that employers need, housing must be available to support and house their workforce.

Indiana is currently facing a lack of affordable, entry-level housing in many communities across the state. Indiana’s unemployment rate remains below the national average. Employers in many communities have more open positions than people to fill them and do not have sufficient housing available to attract new residents into those communities.

In response to this issue, in 2019 Indiana Housing and Community Development Authority (“IHCDA”) launched the Anchor Employer Workforce Housing Demonstration Program (the “Program”) to create public-private partnerships with anchor employers to invest in workforce housing. For the purposes of this program, anchor employers are defined as employers that have operated within the target geography for a minimum of five years and are one of the top ten employers in the target geography by total employment (excluding government and education institutions).

IHCDA released a Request for Proposals (“RFP”) to select eligible anchor employers on June 3, 2019 to invest up to \$4,000,000 of non-Federal IHCDA funds to Indiana anchor employers (with a maximum of \$1,000,000 to any one selected employer) to promote workforce housing. As required under the RFP, each selected employer must agree to either match or exceed IHCDA’s investment.

Four anchor employers were selected through the RFP and were required to participate in a collaborative workshop in November of 2019. Each team has continued to participate in monthly meetings to report progress and move towards implementation.

IHCDA and the employer will enter into an agreement that describes the terms of their respective investments. The terms stipulated for each party’s investment will be the same, including project risk and return. In no event will IHCDA’s share of risk exceed its initial investment.

**Summary of Project:**

2179, LLC, a wholly owned subsidiary of Near North Development Corporation (“NNDC”) will develop the Excelsior Apartments – which includes the new construction of 80 mixed-income rental units, affordable to households earning less than 120% of the Area Median Income, as well as the Mosaic Center, a community and workforce training center, and outdoor greenspace, to be located at the southeast corner of 22<sup>nd</sup> and Illinois Street, in Indianapolis. IU Health, the Anchor Employer selected through the RFP, will be providing a \$1,000,000 grant for the construction of the project to meet the match requirements of the Program.

**Financial Investment Structure**

IHCDA will provide a loan to 2179, LLC. A portion of the loan funds equal to the cost of acquisition may be disbursed to the title company in conjunction with the purchase of land for the project. The balance of loan funds, may be disbursed directly to 2179, LLC. All loan funds and proceeds are required to be used for eligible costs associated with the project; all disbursements under the agreement must be approved by IHCDA.

The Term Sheet is attached hereto as **Exhibit A**. Terms include:

- The loan term will be 120 months, with the maturity date to be coterminous with the maturity date of the Senior Lender.
- The interest rate will be set at 0% for the life of the loan.
- Installment payments will be annual, equal to 50% of net operating cash flow, less the primary loan, and deposits to reserves. A balloon payment will be due for the remaining balance at loan maturity.
- IHCDA will charge an administrative fee of 0.25% to cover costs of administering the loan.

Following discussion, a motion was made by Andy Place, Sr. to award a loan in an amount not to exceed \$1,000,000 to 2179, LLC under the Anchor Employer Workforce Housing Demonstration Program. The motion was seconded by J. June Midkiff. The motion passed unanimously.

**RESOLVED**, that the Board approve awarding a loan in an amount not to exceed \$1,000,000 to 2179, LLC under the Anchor Employer Workforce Housing Demonstration Program, as recommended by staff.

**B. 2022 Qualified Allocation Plan**

Chairperson Crouch recognized Alan Rakowski, who presented the 2022 Qualified Allocation Plan.

**Background:**

The Qualified Allocation Plan (QAP) is a federally mandated planning requirement under the Internal Revenue Code, Section 42 that explains how the State of Indiana will allocate its Low Income Housing Tax Credits to produce new or rehabilitate existing affordable rental housing units. The QAP establishes thresholds, set-asides, evaluation factors, and compliance requirements to target credits in a manner that maximizes the Indiana Housing and Community Development Authority’s strategic plan.

**Process:**

The Real Estate Department released two drafts of the QAP and held two public meetings. On January 25, 2021, the Real Estate Department released the 1<sup>st</sup> draft of the 2022 QAP and held a public hearing on February 5, 2021. On February 24, 2021, the Real Estate Department released the 2<sup>nd</sup> draft of the 2022 QAP and held a public hearing on March 4, 2021.

Based on written comments, public comments, and continued internal policy discussions, modifications were made to the final draft.

A list of the most significant changes is included in **Exhibit B**. The entire 2022 QAP is attached hereto as **Exhibit C**.

Following discussion, a motion was made by J. June Midkiff to approve the 2022 Qualified Allocation Plan and its submission to Governor Eric Holcomb, as recommended by staff. The motion was seconded by Andy Place, Sr. The motion passed unanimously.

**RESOLVED**, that the Board approve the 2022 Qualified Allocation Plan and its submission to Governor Eric Holcomb, as recommended by staff.

**C. HOME Community Housing Development Organization Predevelopment Loans – New Hope Development Services, Housing Opportunities Inc., and Hamilton County Area Housing Development**

Chairperson Crouch recognized Meagan Heber, who presented HOME Community Housing Development Organization Predevelopment Loans – New Hope Development Services, Housing Opportunities Inc., and Hamilton County Area Housing Development.

**Background:**

The HOME Investment Partnerships Program (“HOME”) can be used to develop affordable housing for low-income households. HOME provides funding for new construction and rehabilitation of homebuyer and rental projects and can also be used for predevelopment activities of Community Housing Development Organizations (“CHDOs”). CHDOs are IHCD-certified not-for-profit housing organizations that meet HOME regulations related to CHDOs. The HOME regulations define two types of Predevelopment loans available to CHDOs – Site Control loans, which are to be used when the site has not been acquired to assist CHDOs in the early stages of development and Seed Money loans, which may be accessed once the site has been acquired to cover pre-construction costs. The maximum any eligible CHDO may request for either loan, per project, is \$30,000.

**Process:**

The IHCD Real Estate Department accepts applications to the CHDO Predevelopment Loan Fund on a rolling basis until funds set aside for CHDO activities have been expended. Staff reviews each application to ensure the proposed costs are eligible under the HOME regulations and the organization meets the federal definition of a CHDO.

The interest rate on the loan is 0% with a repayment term of 24 months. The loan may be repaid from a construction loan proceeds or other project income. As per HOME guidelines, IHCD may forgive the loan, in whole or in part, if there are impediments to project development which IHCD determines are reasonably beyond the control of the CHDO.

**Development Summaries.**

**New Hope Development Services**

New Hope Development Services is requesting three CHDO Pre-development loans that will assist them with architectural, engineering, and legal fees, and gaining site control for rental new construction development in Beechwood, Edinburgh, and Rockport, IN.

These three developments, for which they plan on applying for funds in future HOME application rounds, would provide 30 new units of affordable housing in high need areas throughout the state. They consist of the following:

1. **Beechwood Rental New Construction:** Ten new construction units located in Beechwood, Indiana, requesting a \$14,100 predevelopment site control loan.
2. **Edinburgh Rental New Construction:** Ten new construction units located in Edinburgh, Indiana, requesting a \$14,100 predevelopment site control loan.
3. **Rockport Rental New Construction:** Ten new construction units located in Rockport, Indiana, requesting a \$14,100 predevelopment site control loan.

**Housing Opportunities, Inc.**

Housing Opportunities, Inc. is requesting a \$18,500 CHDO Predevelopment loan that will assist them with architectural and engineering fees, a market study, and gaining site control for a rental rehabilitation development in La Porte, IN. This development, for which they plan on applying for funds in future HOME application rounds, would preserve 7 units of affordable housing for residents of LaPorte County.

**HAND, Inc.**

Hamilton County Area Housing Development (HAND) is requesting a \$30,000 CHDO Predevelopment loan that will assist them with architectural, engineering, and legal fees for a rental new construction development in Fishers, IN.

This development, for which they plan on applying for funds in future HOME application rounds, would provide 8 new units of affordable housing for residents of Hamilton County, IN.

**Key Performance Indicators**

IHCDA will track the following Key Performance Indicators regarding CHDO Pre-Development Loans:

1. Track the utilization of this resource by our CHDO partners as it relates to our increased outreach and efforts to increase the number of IHCDA certified CHDOs.
2. Track the percentage of HOME projects utilizing Predevelopment Loans that are successful in their HOME applications.

Following discussion, a motion was made by Kelly Mitchell to approve awarding HOME Predevelopment loans in an aggregate amount not to exceed \$90,800.00 to the applicants set forth in Table A. The motion was seconded by G. Michael Schopmeyer. The motion passed unanimously.

**RESOLVED**, that the Board approve awarding HOME Predevelopment loans in an aggregate amount not to exceed \$90,800.00 to the applicants set forth in Table A, as recommended by staff.

**D. 2019 Supportive Housing Institute – South Bend Heritage Foundation’s Hope Ave Homes**

Chairperson Crouch recognized Chris Nevels, who presented 2019 Supportive Housing Institute – South Bend Heritage Foundation’s Hope Ave. Homes.

**Background:**

IHCDA partners annually with the Corporation for Supportive Housing (“CSH”) to offer the Indiana Supportive Housing Institute (“Institute”). The Institute provides training and technical assistance to help supportive housing partners learn how to navigate the complex process of developing housing with supportive services to prevent and end homelessness.

A Request for Proposals (“RFP”) to solicit interested teams for the 2019 Institute was released on October 1, 2018 and responses were due to IHCDA on December 3, 2018. Consideration was given to both integrated supportive housing (with no more than 25% of the housing set aside for supportive housing) and 100% supportive housing projects. Six teams were selected to participate in the 2019 Institute.

Focusing on developments serving either chronically homeless households or chronically homeless veteran households, the 2019 Institute provided targeted training, technical assistance, and the opportunity to apply for pre-development financing for both new and experienced development teams. Teams received over 80 hours of training, including individualized technical assistance and resources to assist in completing their projects. Industry experts provided insight on property management, financing and building design.

Teams who successfully graduated from the 2019 Institute are eligible to apply for funding on a rolling basis through IHCDA’s HOME Investment Partnerships Program (“HOME”), the National Housing Trust Fund (“NHTF”) and the Indiana Affordable Housing and Community Development Fund (“Development Fund”). Teams can also apply for Project Based Vouchers through IHCDA. Applicants certified as Community Housing Development Organizations (“CHDOs”) are also eligible to receive up to \$50,000 in HOME CHDO Operating Supplement Funds.

Eligible supportive housing projects must meet all federal requirements of the HOME and NHTF programs. The housing proposed must also incorporate the housing first model, which includes eviction prevention and harm reduction strategies. Comprehensive case management services must be accessible by the tenants where they live and in a manner designed to maximize tenant stability and self-sufficiency.

**Process**

South Bend Heritage Foundation, a 2019 Institute graduate, submitted an application for HOME, HTF, Development Fund, and CHDO Operating Supplement funding for Hope Avenue Homes Supportive Housing on September 26, 2020. IHCDA staff reviewed the application for threshold requirements and scoring.

The development will be a new construction building with 22 one-bedroom Permanent Supportive Housing Units to be located on the 4000 block of Hope Avenue in South Bend, St. Joseph County, Indiana. All 22 units will serve persons who are experiencing chronic homelessness, have a disability, and are at or below 30% of the Area Median Income.

South Bend Heritage Foundation (“SBHF”) partnered with the City of South Bend and Oaklawn for the IHCDA/CSH Permanent Supportive Housing Institute to develop this project. Part of the South Bend Heritage Foundation mission is community development. SBHF has experience applying for and managing grants such as LIHTC, Historic Tax Credits, AHP, and local HOME and CDBG through the St. Joseph County Housing Consortium and has staff experienced in administering IHCDA and other grants. SBHF met with neighborhood residents and local businesses, health care facilities, first responders, and homeless service providers to talk about the project and the concept of the housing first harm reduction approach. The most recent St. Joseph County Point in Time count identified 411 persons experiencing homelessness. The Proposed Development Summary Sheet for this development is attached hereto as **Exhibit D.**

**Key Performance Indicators**

1. The number of rental units produced through the 2019 Permanent Supportive Housing Institute (currently 144 units).
2. The change in numbers during the next St. Joseph County Point in Time Count.
3. Development benchmark tracking including release of funds, start and completion of construction, funds drawn, inspections, and lease-up.

Following discussion, a motion was made by J. June Midkiff to approve awarding National Housing Trust Fund funding in the form of a grant in an amount not to exceed \$2,200,000.00 to South Bend Heritage Foundation, as recommended by staff. The motion was seconded by Mark Pascarella. The motion passed unanimously.

**RESOLVED**, that the Board approve awarding National Housing Trust Fund funding in the form of a grant in an amount not to exceed \$2,200,000.00 to South Bend Heritage Foundation, as recommended by staff.

Following discussion, a motion was made by J. June Midkiff to approve awarding HOME CHDO Operating Supplement funding in the form of a grant in an amount not to exceed \$50,000.00 to South Bend Heritage Foundation, as recommended by staff. The motion was seconded by Mark Pascarella. The motion passed unanimously.

**RESOLVED**, that the Board approve awarding HOME CHDO Operating Supplement funding in the form of a grant in an amount not to exceed \$50,000.00 to South Bend Heritage Foundation, as recommended by staff.

**E. Project-Based Voucher Awards for Permanent Supportive Housing**

Chairperson Crouch recognized Jeff Zongolowicz, who presented Project-Based Voucher Awards for Permanent Supportive Housing.

**Background:**

U.S. Department of Housing and Urban Development (“HUD”) guidance allows every Public Housing Agency (“PHA”) that receives Housing Choice Vouchers to utilize up to 30 percent of its voucher program budget authority for project-based vouchers, which attach the funding to specific units rather than using it for tenant-based assistance.

As described in IHCD’s Housing Choice Voucher (“HCV”) Administrative Plan, IHCD may award project-based vouchers to a development previously selected through a competitive process and that has completed the Indiana Permanent Supportive Housing Institute (the “Institute”). The goal of the Institute is to increase the supply of permanent supportive housing for persons experiencing homelessness. Combining affordable housing with supportive services provides the needed stability for individuals to make effective use of treatment and lead productive lives. Project-based vouchers provides an essential subsidy to developments and allows the Housing Choice Voucher program to target resources to house individuals that the program could not successfully serve otherwise.

**Process**

After completion of the 2020 Institute, South Bend Heritage applied for a HOME award from IHCD and simultaneously applied for project-based vouchers. Upon receiving the requests, staff reviewed additional documentation provided by the applicant to assess the suitability/eligibility for the development to receive project-based vouchers.

The award of the project-based vouchers to the development is contingent upon IHCD’s approval of the Subsidy Layering Review.

<b>Development Name:</b> Heritage PSH DBA Hope Avenue Homes <b>Applicant:</b> South Bend Heritage.			
<b>Unit Size</b>	<b>Vouchers</b>	<b>Monthly Rent</b>	<b>Gross Annual Rent (Year 1)</b>
1BR	22	\$616 (Current FMR)	\$162,624 (22 x \$616 x 12)
<b>Housing Assistance Payment Agreement Term</b>			15 Years

**Key Performance Indicators**

IHCD will track the following Key Performance Indicators for this PBV award:

1. The utilization of awarded vouchers by the property
2. The total number of chronically homeless households served by the vouchers
3. Compliance of the project throughout the 15 year HAP Agreement

Following discussion, a motion was made by Kelly Mitchell to approve an allocation of twenty-two (22) project-based vouchers to South Bend Heritage for Hope Avenue Homes, for a period of fifteen (15) years, based on the annual fair market rents (FMR) for St. Joseph County, as recommended by staff. The motion was seconded by J. June Midkiff. The motion passed unanimously.

**RESOLVED**, that the Board approve an allocation of twenty-two (22) project-based vouchers to South Bend Heritage for Hope Avenue Homes, for a period of fifteen (15) years, based on the annual fair market rents (FMR) for St. Joseph County, as recommended by staff.

**F. Housing Choice Voucher Annual Plan and Administrative Plan Submission**

Chairperson Crouch recognized Jeff Zongolowicz, who presented Housing Choice Voucher Annual Plan and Administrative Plan Submission.

**Background:**

The Indiana Housing and Community Development Authority (“IHCD”) administers the Section 8 Housing Choice Voucher Program (“HCV”) in areas of Indiana not served by other metropolitan or county public housing authorities (each a “PHA”). As a PHA, IHCD must maintain a plan that governs public housing agency policies, programs, operations, and strategies for meeting the housing needs and goals of its jurisdiction (the “PHA Plan”). The Annual Plan is submitted to the U.S. Department of Housing and Urban Development (“HUD”) every year. Since some of the information required by the Annual Plan is contained in the Administrative Plan, the Administrative Plan must also be submitted to HUD annually. The Administrative Plan must conform with HUD regulations and state the PHA’s policy in those areas where the PHA has discretion to establish local policy.

**Process**

The PHA Plan process was established by Section 5A of the United States Housing Act of 1937 (42 U.S.C. 1437 et seq.). The PHA Annual Plan describes the agency’s policies and procedures and must be reviewed each year.

IHCD has prepared its Annual Plan for submission. The submission includes:

- **Exhibit E** - Summary of Proposed Changes to HCV Administrative Plan \*
- **Exhibit F** - Summary of New Activities
- **Exhibit G** - PHA Certifications\*\*
- **Exhibit H** - Local Subcontracting Agencies
- **Exhibit I** – Calendar Year 2020 Program Metrics

\*A complete copy of the 2021 HCV Administrative Plan is available at the following link <https://www.in.gov/ihcd/files/2021%20Proposed%20Admin%20Plan%20HCV.pdf>.

\*\*The HUD forms listed in Exhibit G are saved as fillable PDFs at [F:\Housing Choice Programs\Housing Choice Voucher \(HCV\)\Annual and 5-yr Plan\2021 Submission](F:\Housing Choice Programs\Housing Choice Voucher (HCV)\Annual and 5-yr Plan\2021 Submission).  
These forms will need to be executed by the IHCD Board Chair once the 2021 Annual Plan is approved.

Following discussion, a motion was made by Andy Place, Sr. to approve the HCV 2021 Annual Plan and the attachments required for submission to HUD, as recommended by staff. The motion was seconded by J. June Midkiff. The motion passed unanimously.

**RESOLVED**, that the Board approve the HCV 2021 Annual Plan and the attachments required for submission to HUD, as recommended by staff.

### III. Community Services Department

#### A. Emergency Solutions Grant CARES Act Homeless Prevention, Rapid Rehousing, Shelter, and Outreach Funding Requests

Chairperson Crouch recognized Kristin Garvey, who presented Emergency Solutions Grant CARES Act Homeless Prevention, Rapid Rehousing, Shelter, and Outreach Funding Requests.

##### Background:

On April 2, 2020, IHCD received communication from the U.S. Department of Housing and Urban Development (HUD) that it would receive the first round of Emergency Solutions Grants (ESG) Program funds allocated to the Indiana Balance of State in the amount of \$13,566,621, as authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136. ESG-CV funds must be used to prevent, prepare for, or respond to the coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance; and to support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19. An additional \$18,411,073 was awarded from the same CARES Act in June 2020 for a total of \$31,977,694.

##### Process

In May 2020, IHCD made a substantial amendment to its Consolidated Plan with HUD to request approval to allocate funding for the homelessness prevention activity to be undertaken on a statewide basis (with the exclusion of Marion County). The focus of this program activity is to help households impacted by the COVID-19 pandemic stay in their current rental housing by providing rental assistance payments and other services. In addition, funds were allocated for other activities allowed through the Emergency Solutions Grant program, including Rapid Rehousing (rental assistance and services for those experiencing homelessness), Emergency Shelter Operations, and Street Outreach.

In May 2020, IHCD solicited applications for the homelessness prevention activity from nonprofit agencies who serve as regional partners (HUBs), in providing rental assistance to individuals affected by the pandemic. These HUBs are organizations in each CoC region that have experience with ESG Rapid Rehousing and Homelessness Prevention services or other rental assistance programs. All HUBs have been identified and are currently supporting the rental assistance process and as they continue to provide services to individuals in their areas, they periodically need additional funding allocated to them to continue providing services. The Indiana Balance of State CoC Regional Map is attached hereto as **Exhibit J**.

Additionally, other local organizations are needed to provide rapid rehousing, emergency shelter, or street outreach to prepare for, prevent, or respond to the COVID-19 pandemic for individuals experiencing homelessness. Applications for these activities were accepted on a rolling basis during the winter months. This request for approval includes requests for funding submitted to IHCD by March 5, 2021, in addition to the HUB allocations, which includes all funding availability. During the review of the applications, factors used to determine funding recommendations included:

- How the activities the applicant requested to be funded were directly impacted by COVID-19 or are required to prevent, prepare for, or respond to COVID-19,
- Whether the dollar amounts are allowable under HUD guidance,
- Whether the organization is able to provide the activities the funds would cover,
- How the request will affect the distribution of funds across the Balance of State, i.e. are the funds being distributed fairly for maximum coverage in the Balance of State.

Requests were excluded from consideration if the need they demonstrated was not directly affected by COVID-19 or if the need was based on a decrease in donations, as the ESG-CV funding cannot be used to supplement and/or match funds for the annual ESG allocations.

In February 2021, IHCD updated its substantial amendment to allow IHCD to allocate funds to itself so it can provide direct services in cases where subrecipient capacity is strained due to volume or capacity.

A summary of the proposed March allocations of Emergency Solutions CARES act funding include:

TABLE A FUNDING SUMMARY		
Category	Number	Amount
Homelessness Prevention – HUBs	15	\$5,833,000

Rapid Rehousing	3	\$4,923,778

The motion was seconded by G. Michael Schopmeyer . The motion passed unanimously.

**RESOLVED**, that the Board approve awarding an allocation of the Emergency Solutions Grant CARES Act funds in an aggregate amount not to exceed \$12,625,596 for Homelessness Prevention, Rapid Rehousing, Emergency Shelter, and Street Outreach to the organizations and in the amounts and funding categories set forth in Table A, as recommended by staff.

#### IV. Executive

##### A. Executive Update

Chairperson Crouch recognized J. Jacob Sipe, who presented the Executive Update and discussed the following topics:

##### 1. Emergency Rental Assistance Program:

- a. The Indiana Emergency Rental Assistance Program (“IERA”) is live, has launched and is accepting applications at [IndianaHousingNow.org](http://IndianaHousingNow.org)
- b. There are six local municipalities that are also administering their own rental assistance programs
- c. Five out of six of the municipalities are currently accepting applications
- d. IHCDA continues to host weekly calls to make ensure that best practices and program updates are being shared between the municipalities
- e. IHCDA’s program is just shy of 12,500 applications, is moving through the income and benefit review process and is on target to begin making payments in early April, which was the goal.
- f. J Sipe expressed thanks to the following individuals working behind the scenes across multiple departments and the newly created IERA department:
  - o Rayanna Binder who is the Director of the Emergency Rental Assistance Program;
  - o Ryan Splichal for taking the lead in customer service;
  - o Katie Hall who has been amazing in working with IHCDA’s not-for-profits;
  - o Vinya Dunbar in accounting making sure the payments have been made responsibly and quickly;
  - o Annette Richard, for her leadership in developing and implementing technology; and
  - o The huge IHCDA team, for doing great work.

2. **Housing Study Working Group Update:**

- a. The working group is on schedule and are looking at a roughly six-month process
- b. Recently the working group has had Quality discussions on the user interface for this housing study
- c. They are not just creating a study, it will be a database that contains housing information that will be continually updated over time for an array of audiences (housing developers, housing service providers, employers, local officials, builders and even Indiana residents and people who want to live in and move the Indiana). People can make informed decisions related to housing in Indiana so that they will choose to live in Indiana.
- d. The working group wants to create a user-friendly interface that will create tools, charts and reports.
- e. Affordable Housing can mean many different things to many different people.
- f. Another goal is for communities to be able to use this information to make informed decisions regarding their housing needs.
- g. IHCD staff has always created flexibility with its programs to ensure that the communities and housing providers can identify their needs and the resources at IHCD, specifically the financing tools so that they can focus and concentrate on using the financing available at IHCD to address their needs but this could lead to other financing from other sources.
- h. The working group is also questioning whether the term “housing study” is the right term to use to describe this project to the average person since what is being created is much broader and interactive.

3. **American Rescue Plan Act of 2021**

The American Rescue Plan Act has been passed and is being reviewed by IHCD and IHCD anticipates that it will administer additional resources associated with the following programs:

- a. **Emergency Rental Assistance Program 2.0**
  - i. Providing rent and utility assistance
  - ii. Indiana Funding Allocation: TBD
- b. **Homeowner Assistance Fund**
  - i. Assisting homeowners with mortgage and utility payments
  - ii. Indiana Funding Allocation: TBD
- c. **HOME Investment Partnerships Program for Homelessness Assistance & Supportive Services Program**
  - i. Developing affordable housing and providing tenant-based rental assistance
  - ii. Indiana Funding Allocation: TBD
- d. **Housing Choice Vouchers**
  - i. Renewing emergency vouchers for public housing agencies
  - ii. Indiana Funding Allocation: TBD (within 60 days)
- e. **Low Income Home Energy Assistance Program**
  - i. Providing assistance to households (renters and homeowners) for home energy costs (electricity, gas, other fuel sources)
  - ii. Indiana Funding Allocation: TBD
- f. **Low-Income Drinking Water and Wastewater Emergency Assistance Program (New program)**
  - i. Providing assistance to households (renters and homeowners) for drinking water or wastewater costs
  - ii. Indiana Funding Allocation: TBD

Lt. Governor Crouch asked J. Sipe a question regarding the meaning of the term “drinking water”. Sipe explained that it will likely be utilized for assistance in paying water and wastewater bills for applicants as part of their utility costs. IHCD will continue to explore eligibility for this program.

4. **Veteran Homelessness – Region 5**

- a. J. Sipe recognized Region 5 of the Indiana Continuum of Care, as it relates to Veteran’s Homelessness. Kokomo Mayor, Tyler Moore recently received a letter from the United States Interagency Council on Homelessness (“USICH”), the U. S. Department of Housing and Urban Development (“HUD”), and the Department of Veterans Affairs (“DVA”) to inform him that the Indiana Region 5 Planning Council has *effectively ended homelessness among veterans*. Region 5 is the first community in Indiana to receive this distinction.
- b. To be recognized as having achieved this goal, communities must meet the requirements laid out in the federal Criteria and Benchmarks for Ending Veteran Homelessness, which are intended to help communities drive down the number of veterans experiencing homelessness to as close to zero as possible, while building systems that support long-term, lasting solutions.

- c. J. Sipes expressed appreciation for the following: Kristen Garvey, Elby Hilton, Zach Gross, Victoria Jennings, a former VISTA and the entire Community Services team

5. **2020 Annual Report**

- a. The Annual report is usually provided earlier in the year, the report will be available in April. J. Sipe will share the Annual Report at the April Board meeting.

6. **April's IHCD Board Meeting Location:**

- a. The next Board meeting is on April 22 at 10 a.m. and it will be a virtual Board Meeting.

Lt. Governor Crouch gave a commendation J. Sipe and his team for stepping up to the plate and continuing to deliver great service during this very difficult time and expressed her appreciation and gratitude for J. Sipes' leadership.

**V. Other Business**

There being no further business, a motion was made by Mark Pascarella to adjourn the meeting, which was seconded by J. June Midkiff; the motion passed unanimously, and the meeting was adjourned at 10:48 a.m.

Respectfully submitted,

**EXHIBIT B**  
**2022 PROPOSED QUALIFIED ALLOCATION PLAN CHANGES**

NOTE: Due to uncertainty with COVID-19, IHCDCA proposes that the 2022 QAP will be a one-year QAP to allow additional changes, as needed, after the 2022 round. IHCDCA would intend to return to a two-year QAP for 2023-2024.

**Section 4: Set-Aside Categories**

- Removed Stellar Community Designation set-aside.
- Removed Workforce Housing set-aside.
- Increased Large City, Small City, and Rural development location set-asides from 10% each to 15% each.
- Increased Qualified Not-for-Profit set-aside to 15%.
- 4.2 Community Integration: Removed requirement that all Community Integration units must be designated below 30% rent.
- 4.2 Community Integration: Provided miscellaneous clarifications from previous QAP FAQ- qualifying household member does not have to be the head of household, units must float, etc.
- 4.4 Preservation: IHCDCA will not allow changes to the minimum set-aside or release the current recorded extended use agreement if preserving an existing RHTC project.
- 4.4 Preservation: Updated required documentation. If the preservation activity is preservation of an existing LIHTC property, the Applicant does not need to submit the existing extended use agreement to IHCDCA.
- 4.5 Housing First: Developments subject to the Housing First set-aside must meet the accessibility requirements of Part 5.4C of the QAP.
- 4.5 Housing First: Changed “tenant outreach and engagement plans” to “tenant involvement plans” to match wording used in Institute and CSH letter.
- 4.6 General: The 2022 General Set-aside will be allocated in the same manner as the 2021 General Set-aside. There will not be a special initiative for 2022.

**Section 5: Threshold Requirements**

- 5.1(D): Clarified that market study provider must be approved to conduct market studies for the type of project proposed.
- 5.1(H)(1): Application fees must be paid through IHCDCA’s online payment portal.
- 5.1(H)(4)(a): Clarified lender letter of interest is required for each primary source of construction and permanent financing, including bank financing. Subsequently changed “each primary source” to “each source” to eliminate confusion about the definition of primary.
- 5.1(H)(4)(d): Added required documentation when equity is listed as a source during construction.
- 5.1(H)(P): Clarified when an appraisal is required for a development with Project Based Vouchers.
- 5.1(K): The disinterested third-party conducting the Environmental Phase I does not have to be specifically hired by the Applicant.
- 5.1(U) Threshold Requirements for Supportive Housing: under list of plans that CSH must approve, added “tenant involvement plan” and changed “operation plan” to “property management plan” to match wording used in Institute and CSH letter.
- 5.2: Clarification on issuance of technical corrections. A separate technical correction will be issued for each item outside of underwriting guidelines that does not include an explanation and supporting documentation.
- 5.2(B): Vacancy rate cannot exceed 7% for developments with Project Based Vouchers in order to comply with HUD subsidy layering requirements.
- 5.2(B): Vacancy rate for assisted living developments must be underwritten at 10-12%.
- 5.2(G): Service reserves are allowed, but not required, for Community Integration developments.
- 5.2(I): Clarified that IHCDCA calculates DCR before payment of deferred developer fee.
- 5.3(B): Changed developer fee calculation. The highest per unit fee is now earned for the first 30 units, not the first 20 units.
- 5.3(C): Clarified that developer fees and site work not included in the construction contract are not part of the contractor fee calculation.

- 5.3(F): Added instructions for the calculation of hard cost contingency and soft cost contingency.
- 5.3(F): Changed policy to allow general requirements, contractor overhead, and contractor profit to be included in the hard cost contingency calculation.
- 5.4(A)(6): Added requirement for magnetic hold-open devices on common laundry facility fire doors.
- 5.4(B)(4): Deleted requirement for attic insulation of R-38 or better.
- 5.4(B)(5): Changed wording on shingles requirement to apply only to roofing that uses shingles.
- 5.4(C): Accessibility requirements for age-restricted developments also apply to Housing First set-aside developments.
- 5.4(E): Added cordless window blinds to Column 2 of the universal design chart.
- 5.4(E): Universal Design Chart, Column C- clarified that the option for toilets with seat heights 17-19” inches applies to at least one bathroom in each unit.
- 5.4(E) Universal Design Features, Column C: for the option for at least one garden area raised a minimum of 15” above adjacent grade, added requirement that the garden must be on an accessible route.
- 5.7: Clarified what constitutes a technical correction related to supplemental funding requests.

#### Section 6: Scoring Criteria

- Total number of points possible decreased from 148 to 144.
- 6.1: IHCD will not allow changes to the minimum set-aside if preserving an existing RHTC project.
- 6.1: Rents Charged- removed reference to workforce housing set-aside.
- 6.1: Rents Charged- removed note that all Community Integration units must be designated below 30% rent (consistent with change from Part 4.2).
- 6.1: Rents Charged- changed chart to be based on the percentage of RHTC units instead of % of total units.
- 6.2(A): Development Characteristics
  - Chart 1, Column A: added option for rooftop deck.
  - Chart 1, Column B: added option for pet washing area.
  - Chart 2, Column B: added option for smart thermostats.
- 6.2(B): Accessible or Adaptable Units- changed scoring chart by removing the lowest previous option.

- 6.2(G): Infill New Construction- updated language on required documentation.
- 6.2(H): Removed scoring option for greyfield redevelopment.
- 6.2(H): If claiming disaster points, documentation from third-party confirming the event must include the date the disaster occurred.
- 6.2(H): For clarification, changed “demolishes or redevelops buildings on property” to “demolishes buildings or redevelops on property.”
- 6.2(H)(I): Foreclosed: Changed “properties that were acquired for redevelopment purposes by a government entity or community organization” to “by a government entity, land bank, or the Applicant.”
- 6.2(H)(II): Abandoned: Changed “properties that were acquired for redevelopment purposes by a government entity or community organization” to “by a government entity, land bank, or the Applicant.”
- 6.2(H)(II): Abandoned: For clarification, changed “mortgage or tax foreclosure proceedings” to “mortgage foreclosure or tax sale proceedings.”
- 6.2(J): Federally Assisted Revitalization- clarified required documentation for New Market Tax Credits.
- 6.2(N): Internet Access- updated required documentation to provide explanation of how the budgeted cost was calculated.
- 6.2(N): Internet Access- clarified the applicability of required documentation. Applicant only needs to submit documentation of internet costs if the Owner is paying for internet service.
- 6.3(A): Building Certification- added Passive House as an allowable green building certification.
- 6.3(C): Location Efficient- added dollar stores to list of businesses that do not qualify as facilities with fresh produce.
- 6.3(C): Location Efficient- updated facilities chart to reclassify certain items and to add additional qualifying healthcare facilities.
- 6.3(C): Transit-oriented Development- ride share apps and taxi service do not qualify for points.
- 6.4(A): Leveraging Capital Resources- clarified that private funds and donated land can count in this scoring category.

- 6.4(A): Leveraging Capital Resources- clarified that if claiming a loan with below market interest rate for leveraging points, the lender letter must acknowledge that the rate offered is below its current market interest rate.
- 6.4(A): Leveraging Capital Resources: Clarified that a PILOT may qualify for leveraging points if it otherwise meets the required documentation.
- 6.4(B): Removed Opportunity Zone scoring category.
- 6.4(B): Non-IHCDA Rental Assistance- clarified that a PHA commitment letter for project-based vouchers may be contingent on approval of subsidy layering review.
- 6.4(B): Non-IHCDA Rental Assistance- commitment letter for non-IHCDA rental assistance must identify the payment standard used to set rents.
- 6.4(D): Census Tract without Active Tax Credit Projects- added definitions for each occupancy type.
- 6.4(D): Census Tract without Active Tax Credit Projects- added clarification that Community Integration set-aside developments are considered as age-restricted or family occupancy type.
- 6.4(E): Housing Needs Index- Added new one point option for counties in which 25% or more renter households are considered to have at least one severe housing problem per HUD CHAS data.
- 6.5(A): Certified Tax Credit Compliance Specialist- removed requirement for proof of renewal.
- 6.5(A): Certified Tax Credit Compliance Specialist- updated title for Quadel certification and added new option for Novogradac Property Compliance certification (NPCC).

# State of Indiana

## 2022

### Qualified Allocation Plan

This plan constitutes the Qualified Allocation Plan (“QAP”) for the State of Indiana and is intended to comply with the requirements set forth in Section 42 of the Internal Revenue Code, as amended, including all applicable rules and regulations promulgated thereunder (collectively, the “Code”). As used herein, “Applicant” shall include any owner, principal, or participant, including any affiliates.

This QAP applies to all allocations of 2022 Rental Housing Tax Credits (“RHTC”) pursuant to the Code, multifamily private activity tax-exempt bonds (“Bonds”), and supplemental awards of Indiana Affordable Housing and Community Development Fund (“Development Fund”), HOME Investment Partnerships Program funds (“HOME”), and National Housing Trust Fund (“HTF”) made in conjunction with RHTC (collectively “Rental Housing Financing”).

The QAP sets forth (1) the role of the Indiana Housing and Community Development Authority (“IHCD”) in administering the Rental Housing Financing programs; (2) IHCD’s housing goals based on perceived needs throughout the state; (3) guidelines for Developments receiving RHTC in conjunction with Private Activity Tax-Exempt Bond Financing; (4) the set-aside categories established by IHCD to further its housing goals; (5) minimum threshold requirements which all Applicants and Developments must satisfy in order to be considered for Rental Housing Financing; and (6) the evaluation factors which IHCD will use to in score each application that satisfies all applicable minimum requirements.

## Section 1 - Role of IHCD

IHCD is empowered to act as the housing credit agency for the State of Indiana to administer the allocation of Rental Housing Tax Credits (RHTC), also known as Low-Income Housing Tax Credits (LIHTC), pursuant to Section 42 of the Internal Revenue Code and this Allocation Plan.

### Part 1.1 | Purpose of Qualified Allocation Plan

This Allocation Plan:

- has been established utilizing the selection criteria required by the Code and the housing priorities of IHCD, which are appropriate to local conditions.
- defines preferences in allocating Rental Housing Financing among selected Developments that meet IHCD's housing goals.
- provides procedures that IHCD (or its agent or private contractor) will follow in monitoring for compliance with the provisions of the Code, in conducting inspection, and in notifying the Internal Revenue Service of noncompliance.

## Part 1.2|DISCLAIMERS

Any action, determination, decision, or other ruling made by IHCDCA pursuant to this Allocation Plan shall not be construed to be a representation or warranty by IHCDCA as to a Development's compliance with applicable legal requirements, the feasibility or viability of any Development, or of any other matter whatsoever. No action of IHCDCA shall be relied upon by any person as a representation or warranty by IHCDCA in connection therewith.

IHCDCA reserves the right to resolve all conflicts, inconsistencies, or ambiguities, if any, in this Allocation Plan or which may arise in administering the allocation of Rental Housing Financing. In the event of a conflict or inconsistency between this Allocation Plan and the Application Form and/or Appendices, the policies and procedures described in this Allocation Plan shall prevail.

IHCDCA, in its sole discretion, reserves the right to, and may from time to time, amend this Allocation Plan for any reason, including to assure compliance with applicable federal, State, or local laws and regulations thereunder which may be amended or enacted, to reflect changes in market conditions, to respond to disaster recovery efforts, or to terminate the program.

IHCDCA, in its sole discretion in any application round, may elect not to allocate RHTC to a Development that might otherwise qualify for an allocation or to allocate resources to lower ranked proposals to achieve a better mix of resource usage, a better geographic distribution of resources, or for any other reason judged by IHCDCA to be meritorious. IHCDCA reserves the right and shall have the power to allocate Rental Housing Financing to an Application irrespective of its point ranking, if such intended allocation is: (1) in compliance with the Code, (2) in furtherance of the Housing Goals stated herein, and (3) determined to be in the interests of the citizens of the State of Indiana. IHCDCA will provide a written explanation to the public for any allocation of RHTC which is not made in accordance with the selection criteria in this Allocation Plan.

Any decision IHCDCA makes and any action or inaction by IHCDCA in administering the program shall be final and conclusive and shall not be subject to any review, whether judicial, administrative, or otherwise.

## Section 2 - Authority's Housing Goals and Priorities

### Part 2.1| IHCD's Vision and Mission

This Allocation Plan has been written to further IHCD's vision and mission through the allocation of Rental Housing Financing. IHCD's vision is an Indiana with a sustainable quality of life for all Hoosiers in the community of their choice. IHCD's mission is to provide housing opportunities, promote self-sufficiency, and strengthen communities.

### Part 2.2| Housing Goals

IHCD's goal is to support and encourage Developments that:

- set aside units at a variety of rent and income levels.
- contribute to comprehensive neighborhood improvement and have the capability of changing the character of a neighborhood.
- substantially upgrade and preserve existing affordable housing.
- connect residents with services to enhance self-sufficiency and quality of life.
- serve tenant populations with special housing needs, including persons experiencing homelessness and persons with disabilities.

## Section 3 - Private Activity Tax-Exempt Bond Financing

Developments applying for 4% RHTC and tax-exempt bonds must satisfy and comply with all requirements for an allocation under this Allocation Plan and the Code.

Applications will be limited to a maximum request of \$35,000,000 in bond volume. IHCD reserves the right to reduce the maximum bond request or to close the bond application round based on available bond volume. Any such changes will be announced via RED Notices.

For additional requirements and information on how to apply for 4% RHTC and tax-exempt bonds, see Schedule D - Private Activity Tax-Exempt Bond Requirements.

## Section 4 - Set-Aside Categories

IHCDA's tax credit ceiling for allocation in any one year is the sum of the following components:

- Annual Per Capita Credits – determined by the state's population
- Carry Forward Credits – unused credits from a previous year carried forward for allocation in the succeeding year
- Returned Credits – credits returned from Developments that received an allocation in previous years
- National Pool - If IHCDA allocates its tax credits to a de minimus amount in any one year, it is eligible to receive additional credits from a pool of credits returned to the IRS as unused by other states.

To achieve its housing goals, IHCDA has established the following set-aside categories for allocation of 9% RHTC. There are no set-aside categories for 4% RHTC and tax-exempt bond applications.

- Development by qualified not-for-profit organizations
- Developments that serve persons with intellectual and developmental disabilities in an integrated housing setting
- Development location (Large City, Small City, and Rural)
- Preservation of existing federally assisted affordable housing
- Developments that utilize the Housing First model of supportive housing for persons experiencing homelessness

An application may compete in more than one set-aside category depending upon its location, its characteristics, and whether the owner is a qualified not-for-profit organization. However, an application may compete in only one Development Location set-aside (Large City, Small City, or Rural).

The set-aside categories, their respective requirements, and the percentage of annual RHTC allocated to each are described below. IHCDA may exceed the percentage of credits reserved per set-aside to completely fund an application.

% of Available RHTC	Set-Aside Category
15%	Qualified Not-for-profit
10%	Community Integration
15%	Large City
15%	Small City
15%	Rural
10%	Preservation
10%	Housing First
10%	General

IHCDA intends to allocate RHTC in a manner consistent with this distribution. If the distribution cannot be met due to the quality or quantity of applications received, IHCDA may allocate any RHTC remaining without regard to these set-aside categories, as long as such allocation is made in accordance with the Code and the goals of this Allocation Plan.

#### **Part 4.1 | Qualified Not-for-Profit**

15% of available annual RHTC will be set aside for qualified not-for-profits.

To constitute a qualified not-for-profit organization, the not-for-profit must meet the following requirements throughout the Compliance Period:

- One of the not-for-profit organization's exempt purposes must include the fostering of low-income housing.
- The not-for-profit organization must own 100% of the general partner interest in the Development. Note: 100% general partner ownership interest is only required by a qualified not-for-profit for consideration in this set-aside and does not preclude joint ventures in any other set-aside.
- The not-for-profit organization must materially participate in the development and operation of the Development. A nonprofit entity is considered to be materially participating “where it is regularly, continuously, and substantially involved in providing services integral to the development and operation of a project.” For more information, see Internal Revenue Code Section 469(h), Chapter 6 of the IRS *Low-Income Housing Credit Audit Technique Guide*, and Part 2.3B of the IHCDA Compliance Manual.
- The not-for-profit organization must comply with all other sections of the Code applicable to not-for-profit organizations, including the requirement that such organization not be affiliated with or controlled by a for-profit organization as determined by IHCDA.
- No part of the not-for-profit’s net earnings may benefit any member, founder, contributor, or individual.
- The not-for-profit must have been in existence with affordable housing as one of its primary goals at least one year prior to the date of application.
- The not-for-profit must receive at least 35% of the developer fee. If any developer fee is deferred, the for-profit’s and not-for-profit’s deferral must be proportionate to the amount of developer fee they are to receive.

Developments competing in this set-aside but funded under a different set-aside will still be subject to the set-aside requirements, including the material participation requirements. This will be reflected on the Reservation Letter and Form 8609.

**Required Documentation:** Place in Tab C

- Articles of Incorporation or formation documents for the not-for-profit
- IRS documentation of §501(c)(3) tax-exempt status
- A complete signed Not-for-Profit Questionnaire (Form B) with required attachments

**Part 4.2| Community Integration**

10% of available annual RHTC will be set aside for Developments that commit to serving individuals with intellectual or developmental disabilities by providing affordable housing in an integrated setting.

To be eligible for the Community Integration set-aside, Developments must reserve at least 20% but not more than 25% of the total development units for households in which at least one member is a person with an intellectual or developmental disability. The qualifying member does not have to be the head of household or co-head.

In order to create integrated housing settings and discourage segregation based on disability, the number of units reserved for this population cannot exceed 25% of the total development units. In addition, the units must be spread throughout the property, must float, and cannot be clustered into a separate designated area. Creating designated buildings or areas solely for occupancy by persons with disabilities does not qualify under the set-aside.

An application competing under the Community Integration set-aside may not also propose to create supportive housing units for persons experiencing homelessness or request integrated supportive housing points.

The following documentation must be submitted to be considered under this set-aside:

- Form A must identify the percentage of units designated for occupancy by the target population.
- Narrative must describe how the Developer will seek input from persons with disabilities and provide a housing setting that assists in integrating persons with intellectual and developmental disabilities into the community. Narrative must also include a description of how residents with disabilities will gain access to necessary supportive services and transportation.
- Copy of an executed Memorandum of Understanding with at least one provider that serves persons with intellectual or developmental disabilities. The identified provider(s) must agree to refer clients to the Development and to connect residents with appropriate supportive services. This does not mean that the provider must directly provide those services, nor can the provider mandate participation in services as a condition of occupancy.

A referral from the identified provider will serve as documentation that the individual has a qualifying disability and property management will not inquire further into the nature of the disability during the

---

application process and tenant screening. In addition to this referral, an individual with a Home and Community Based Service Waiver through the Indiana Division of Disability and Rehabilitative Services is also eligible and waiver status shall be deemed proof of eligibility. An applicant who was not referred by the identified provider and who does not have a Home and Community Based Service Waiver may still qualify if they provide third-party verification demonstrating an intellectual or developmental disability. This verification must follow the Fair Housing Act requirements for verification of disability and cannot inquire into the nature of the disability. For additional information on Fair Housing and disability verification, see the IHCD RHTC Compliance Manual or contact an IHCD Compliance Auditor.

Developments competing in this set-aside but funded under a different set-aside will still be subject to the set-aside requirements.

**Required Documentation:** Place in Tab A

- Community Integration Set-aside Narrative - this is a separate narrative from the three-page Development Narrative.
- Copy of executed MOU(s) with referral provider(s)

### **Part 4.3 | Development Location**

Each application will compete in only one Development Location set-aside defined below. If a Development consists of sites in multiple locations that encompass different set-asides, the application will compete in the set-aside that has the most units (or the most residential square footage if unit counts are equal).

- 15% of available annual RHTC will be set aside for Developments in a Large City, defined as a city with a population of 75,000 or more (see Appendix C). The Development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer).
- 15% of available annual RHTC will be set aside for Developments in a Small City, defined as a city with a population of 15,000 – 74,999 (see Appendix D). The Development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer).
- 15% of available annual RHTC will be set aside for Developments in a Rural area, where the Development is:
  - Within the corporate limits of a city or town with a population of 14,999 or less; or
  - In an unincorporated area of a county that does not contain a Large City or Small City as set forth in the QAP; or
  - In an unincorporated area of a county that contains a Large City or Small City whereas:

- i. The Development is outside the one-mile jurisdiction of either a Large City or Small City as defined in the QAP; and
- ii. The Development does not have access to public water or public sewer from either the Large City or Small City as defined in the QAP.

#### **Part 4.4| Preservation of Existing Federally Assisted Affordable Housing**

10% of available annual RHTC will be set aside for Developments involving the substantial rehabilitation of existing federally assisted affordable housing and/or the demolition and decentralization of federally assisted affordable housing units utilizing the same site (over 50% of the units must be replaced).

Federally assisted affordable housing includes:

- HUD or USDA funded affordable housing
- Any RHTC project where the Compliance Period has expired or will expire in the current year and the extended use agreement is still in place. IHCD will not allow a change to the minimum set-aside election currently applicable to the project or release the current recorded extended use agreement.

To be eligible for the set-aside, a Development must meet the following requirements:

- If a Development contains multiple building and construction types, at least 50% of the units must qualify as preservation units.
- Rehabilitation hard costs must exceed \$30,000 per unit excluding the costs of furniture and the construction of community buildings and common areas.
  - Exception: USDA Rural Development Section 515 properties may include the cost of construction of community buildings and common areas in the minimum per unit amount.

**Required Documentation:** Place in Tab L

- Capital Needs Assessment (Schedule F): due 30 days before the application deadline
- Third-party documentation from the entity enforcing affordable housing requirements evidencing the rent and income restrictions applicable to the property, including the terms of such restrictions. The Applicant does not need to submit this documentation for existing RHTC properties.
- Hard cost budget separating out the cost for furniture and the construction of community buildings and common areas.

#### **Part 4.5| Housing First / Supportive Housing**

10% of available annual RHTC will be set aside for supportive housing for persons experiencing homelessness utilizing a Housing First model. Housing First is an evidence-based approach to engage

and rapidly house individuals experiencing homelessness and to provide intensive but flexible services to support housing retention.

Eligible Applicants must demonstrate participation in the Indiana Supportive Housing Institute (“The Institute”). The Institute provides training and support to organizations planning to develop supportive housing. Initial drafts of tenant involvement plans, tenant selection plans, property management plans, and supportive service plans must be completed as part of the Institute process and prior to submission of an RHTC application under the Housing First Set-aside. Participation in the Institute is based on a competitive RFP selection process. Applicants must successfully fulfill all requirements of the Institute for the specific development for which they are applying.

NOTE: If a Development Team is accepted into the Institute (1) under an Institute RFP that is designated for non-RHTC funded projects or (2) based on a proposal for a non-RHTC funded project, then that team’s development is not eligible under the Housing First Set-aside of the QAP.

Applications competing in the Housing First set-aside must meet the following requirements:

- 100% of the units in the Development must be committed as supportive housing. Developments proposing to have only a portion of the units as supportive housing (i.e., “integrated supportive housing”) are not eligible in this set-aside but are given special consideration in scoring evaluation (see Part 6.5(E)).
- The Development must serve persons experiencing homelessness who are identified as the most vulnerable and most in need of supportive housing. The Institute RFP released each year will define the target populations that participating teams may choose. Each team participating in the Institute must develop a concept that serves one of the allowable target populations for that Institute.
- Services must be voluntary but readily available, with staff continually working to engage and build relationships with the tenants. Participation in services cannot be required for the tenant to obtain or maintain housing. Staff must utilize a harm reduction approach to services in addressing substance use.
- Property management must work collaboratively with supportive service providers and tenants to implement eviction prevention practices. Property management should attempt to exhaust all other solutions, including the use of supportive services, prior to serving a tenant an eviction notice. Eviction must be used only as a last resort.
- Property management must utilize the local Continuum of Care Coordinated Entry System as the referral source for tenant selection and must adopt a screening process that ensures supportive housing is accessible to the target population. The tenant selection plan must be written specific to supportive housing principles, may not screen out individuals based on credit history or previous landlord history, and must implement low-barrier criminal background screening procedures.

- Must utilize the Homeless Management Information System (HMIS) for reporting
- Must meet the additional supportive housing threshold requirements outlined in Part 5.1(T) and the accessibility requirements of Part 5.4(C)

Developments competing in this set-aside but funded under a different set-aside will still be subject to the set-aside requirements.

#### **Part 4.6|IHCD General**

10% of available annual RHTC will be set aside for Developments that further IHCD's mission and priorities irrespective of scoring. IHCD will exercise its sole discretion in the allocation of the General set-aside.

For the 2022 General Set-aside, IHCD will allocate the credits to the highest scoring remaining applications in the 2022 tax credit round after IHCD identifies allocation recommendations for the other seven set-asides.

## Section 5 - Threshold Requirements

Each application must meet all minimum threshold requirements outlined in this Section. IHCDCA will remove from consideration all applications failing to meet these requirements.

All information submitted to IHCDCA pursuant to this Allocation Plan must be satisfactory to IHCDCA in its sole discretion. If IHCDCA requests additional information from an Applicant, such information must promptly be submitted within the timeline set by IHCDCA.

**For 9% applications, all documentation (e.g., certifications, letters, etc.) must be dated within six months prior to the application deadline date, unless otherwise noted. For 4%/tax-exempt bond applications, all documentation must be dated within six months prior to the application submission date.** This does not apply to site control documentation as long as the expiration date is after the anticipated reservation date.

### Part 5.1 | Threshold Requirements

Each Development shall satisfy all requirements of the Code, all other applicable federal laws, and any additional requirements as set forth in this Allocation Plan throughout the required Compliance Period and Extended Use Period.

#### A. Development Feasibility

Amounts allocated pursuant to this Allocation Plan may not exceed an amount which IHCDCA, in its sole discretion, determines is necessary for the financial feasibility of a Development and its viability as a qualified low-income housing Development throughout the Compliance Period. In making this determination, IHCDCA shall consider: (i) the sources and uses of funds and the total financing planned for the Development; (ii) the general reasonableness of the development and operational costs of the Development, as well as reasonableness in direct comparison to similar costs in other applications; and (iii) such other factors it may consider applicable.

Pursuant to the Code, the foregoing determination shall be made at: (i) the time of application for the Rental Housing Financing; (ii) the time of allocation of the RHTC equity amount; (iii) anytime there is a material change to the application and/or Development; and (iv) the date the building is placed in service or at time of final application (prior to the issuance of IRS Form 8609).

**Required Documentation:** Application (Form A) and any additional documentation regarding the financial feasibility of the Development. Additional documentation may include third-party documentation of sources, costs, and uses of funds.

If the Application is proposing commercial space as part of the tax credit ownership, the following pro formas must be submitted in Tab A:

- 15-year pro forma showing only the commercial portion of the Development

- 15-year pro forma showing only the housing portion of the Development
- 15-year pro forma showing the housing portion and the commercial portion of the Development combined

#### **B. Notification of Intent to Apply**

At least 30 days, but no more than 60 days, prior to application submittal, the Applicant must submit Form C to notify IHCD of their intent to apply. The Applicant must submit Form C electronically to IHCD via: [RHTC@ihcd.in.gov](mailto:RHTC@ihcd.in.gov).

#### **C. Not-For-Profit Participation**

A not-for-profit that has an ownership interest in the proposed Development (even if not competing in the Qualified Not-for-profit set-aside) must submit a resolution from its Board of Directors that includes language that approves:

- The application being made for specific Rental Housing Funding (i.e., private activity tax-exempt bonds, RHTC, HOME, Development Fund, etc.)
- The percentage of ownership interest the not-for-profit has in the venture
- The anticipated amount of Developer Fee the not-for-profit will receive
- Any developer fee to be deferred, if applicable

#### **Required Documentation:** Place in Tab C

- Resolution signed by the not-for-profit's Board of Directors. If the document is approved during a Board of Directors meeting, a quorum should pass and sign the resolution and such resolution shall be incorporated into the Minutes of the meeting.
- All not-for-profits with 100% ownership of the General Partner that wish to compete in the Qualified Not-for-profit set-aside must submit a signed Not-for-profit Questionnaire with required attachments (Form B).

#### **D. Market Study**

A market study meeting all requirements of Schedule C must be prepared at the Developer's expense by a disinterested third-party selected from [IHCD's approved Market Study Analyst list](#). The selected market study analyst must be approved to conduct market studies for the specific project type (general affordable, permanent supportive housing, or assisted living/residential care). The market study must demonstrate that sufficient demand for the proposed Development exists in the market area and is expected to continue during the term of the Compliance Period.

IHCD reserves the right to deny an application based on its market analysis.

**Required Documentation:** Place in Tab N

A comprehensive market study of the housing needs of low-income individuals in the area to be served by the Development.

**E. Multiple Applications for Same Site**

IHCDA will not consider or review more than one application for the same or substantially the same site within a particular application cycle.

**F. Multiple Applications Prior to 8609 Issuance**

An Applicant, Owner, and/or Developer must be issued IRS Form 8609 for a Development within the State of Indiana prior to submitting a second application for RHTC.

IHCDA, in its sole discretion, will consider a waiver for an Applicant, Owner, and/or Developer that has materially participated in a successfully completed (i.e., has been issued IRS Form 8609) Development in Indiana while associated with or working for a different organization. IHCDA must receive the waiver request no later than 30 days prior to the application deadline. The waiver request must include: (i) the name and BINs of each Development in which the Applicant materially participated; (ii) the role the Applicant played in each Development; and (iii) any additional information the Applicant would like IHCDA to consider with the request. IHCDA will provide a written response to the request.

IHCDA will not consider a waiver request to submit a third application for RHTC before the Developer is issued IRS Form 8609 for its first development in Indiana.

**Required Documentation:** Completed Form A (Application)

The Applicant, Owner, and Developer must submit the name and BIN Number of the most recent RHTC Development in which they participated with an ownership interest or were part of the Development Team (including as a consultant).

**G. Capabilities of Development Team**

The Applicant, Owner, Developer, Management Agent, and any other member of the Development Team listed in the application must demonstrate sufficient financial, development, and managerial capabilities to complete the Development and maintain it for the applicable affordability period(s).

The Applicant, Owner, Developer, Management Agent, and any other member of the Development Team must be in good standing with IHCDA. IHCDA will remove the application from consideration if any Development Team member is currently on IHCDA's suspension or debarment list or currently in default on an IHCDA loan.

**Required Documentation:** Place in Tab D

- Most recent year-end financial statements and the current year-to-date balance sheet and income statements from:
  - The Developer
  - Any individual/entity providing guarantees for the Development
  - Management Agent, if requested by IHCD as part of threshold review
- Resumes showing adequate experience of the Developer and the Management Agent
- IHCD may require audited or CPA reviewed financial statements, copies of tax returns, or additional documentation to be submitted upon request.

**H. Readiness to Proceed**

The Applicant must demonstrate readiness to proceed as by submitting all of the following:

- 1) A complete application in the form required by IHCD and by the deadline established and set forth in this Allocation Plan. See Schedule G for Application Package Submission Guidelines.

**Required Documentation:** Place in Tab A

- Application (Form A)
  - Narrative Summary of the Development (not to exceed 3 pages) and separate Unique Features Narrative (not to exceed 1 page)
  - Payment to IHCD for the appropriate application fee through [IHCD's online payment portal](#).
- 2) Satisfactory evidence of site control, including verification of current ownership.

**Required Documentation:** Place in Tab E

- Purchase Agreement or Option that does not expire until after the reservation date for RHTC, and evidence of title by title insurance commitment, title search documentation, or attorney's opinion; OR
- Executed and Recorded Deed; OR
- Long-term lease option (term of lease may not expire prior to the end of the Extended Use Period) and evidence of title by title insurance commitment, title search documentation, or attorney's opinion; OR

- All of the following documentation when an Applicant intends to acquire a site and/or building through a governmental body:
  - Duly adopted resolutions of the applicable governmental agency or commission designating the subject site
  - Duly adopted resolutions of the applicable governmental agency or commission authorizing the acquisition of the land to comprise the Development
  - A letter from the applicable governmental agency or development commission setting forth the acquisition schedule for such land on a timetable consistent with the Applicant's readiness to proceed without undue risk of Rental Housing Financing being returned to or rescinded by IHCD
  - Evidence of title by title insurance commitment, title search documentation, or attorney opinion

**The site control documentation submitted must be in the name of the Development Owner or Applicant.** Site control documentation submitted in the name of the General Partner of the ownership or in the name of the Limited Partner of the General Partnership will not be accepted as evidence of proper site control. However, the General Partner of the ownership or the Limited Partner of the General Partnership may be listed as the seller on site control documentation.

### 3) Development Site Information

**Required Documentation:** Place in Tab F

Preliminary architectural plans that include:

- Unit plan(s) with the **square footage** for each type of unit
- Dimensioned floor plans for all unit types showing the location of common areas and units, including exact placement of all accessible or adaptable units
- Scaled drawing elevations for all building types.
  - Exception: rehabilitation projects may instead submit renderings or photographs if they are accompanied by a certification from an architect that elevations will not change.

- Basic site plan indicating all existing buildings, all proposed structures, and any proposed demolition. The site plan must indicate:
  - The placement and orientation of buildings, parking areas, planned and existing public sidewalks, landscaping, easements, trash dumpsters, buffers, the number of parking spaces, etc.
  - The exact placement and number of accessible or adaptable units if not listed on the floor plans
  - If any portion of the site is in a flood plain or contains wetlands. If a flood plain or wetlands exist on the site, the site plan must indicate the location of buildings, common areas, and any land improvements in relation to the flood plain/wetlands.
  - The location of planned site amenities including playgrounds, gazebos, walking trails, etc.
  - The site boundaries and include the location of any streams, ravines, gullies, drainage problems, or other construction deterrents
- Current aerial photograph with the location of the site clearly marked and the surrounding uses and access points to the site clearly visible. Scattered site projects must submit a map indicating the location of each site with the parcel number or address labeled for each property.
- Current photographs of the project site (images obtained from a website are not acceptable). If this is a rehabilitation project, include images of each side of the existing structures.

All site documentation must be dated no more than 12 months prior to the application date. Rehabilitation projects in which there are no proposed structural changes will be allowed to submit the most current architectural plans (which may be dated more than 12 months prior to the application date) along with an affidavit from the architect certifying that there are no proposed structural changes to the floor plans. IHEDA may perform site visits and evaluations of the Development to determine the satisfaction of these requirements.

4) Demonstrated ability to obtain funding for the Development (equity, loans, grants, etc.)

**Required Documentation:** Place in Tab G

- a) For each source of construction and permanent financing, including any bank financing, a lender letter of interest addressed to the Applicant in support of the application. The lender letter of interest must contain:

- A representation and acknowledgment stating that the lender has reviewed:
  - The same application submitted or to be submitted by the Applicant to IHCD
  - The minimum set-aside election (40-60, 20-50, or Average Income) and the income and rent restrictions elected by the Applicant
  - The Minimum Underwriting Criteria set forth in this Allocation Plan
  - Any other special use restriction elections made by the Applicant
- The anticipated terms of the loan including loan amount, term, amortization period, annual payment, and interest rate

b) For any funding not yet awarded, a certification from the Applicant that includes:

- An explanation of how the Development is eligible for the funding source
- The plan to fill the gap if this funding is not awarded. Note: This applies to IHCD gap sources, including Development Fund, Housing Trust Fund, or HOME.
- Developments applying for the Federal Home Loan Bank (FHLB) Affordable Housing Program (AHP) must identify the anticipated application date, their Member Bank, and their regional FHLB in the certification narrative.

c) For additional funding of any kind that has already been awarded for the Development, a copy of the award letter. The award letter must include the expiration date for the award.

d) For equity listed as a source during construction (if applicable), a letter from the anticipated equity provider indicating the equity pay-in schedule and demonstrating the amount of equity available during construction.

5) Documentation that shows the real estate upon which the Development will be located is properly zoned for the proposed use

**Required Documentation:** Place in Tab H

- A letter from the appropriate authorized government official (e.g. zoning commission) that describes the Development location and certifies that the current zoning allows for the construction and operation of the proposed Development without the need for additional variance
  - With documentation of failed attempts to obtain information from the appropriate authorized government official, the Applicant may instead submit an attorney's opinion that the current zoning allows for the construction and

operation of the proposed Development without the need for additional variance.

- A copy of all approved variances on the property (if applicable)
- If a Planned Unit Development (PUD), a copy of the appropriate documentation (e.g. PUD organization & requirements)

#### **I. Access to Utilities**

At the time of application, Applicant must certify there will be access to water, sewer, electric, and/or gas to the site with sufficient capacity to satisfy the requirements of the Development.

**Required Documentation:** Certification in Form A (Application)

#### **J. Evidence of Compliance**

Every Development Team member with an ownership interest in any Development that has received an allocation of RHTC from IHCD must follow IHCD's compliance requirements as set forth in the [RHTC Compliance Manual](#), a copy of which is attached as Schedule A to this Allocation Plan and made a part hereof.

Any Development found to be in violation of this Allocation Plan or the Code will be subject to a reduction or rescission of Rental Housing Financing, and all Development Team members may be subject to suspension or debarment from participating in all IHCD programs.

Any entity currently on IHCD's suspension or debarment list or in default with IHCD or any lender or partner is ineligible to apply for RHTC.

All Development Team members with an ownership interest in any RHTC Development must demonstrate that any prior compliance findings have been resolved.

**Required Documentation:** Place in Tab J

Each principal of the General Partner or managing member of an LLC and each member of the Development Team (as identified in Form A) must submit a written affidavit disclosing:

- Their complete interest in and affiliations with the proposed Development
- Any outstanding noncompliance issues on any federal or State affordable housing program and any loan defaults
- All other RHTC Developments in Indiana in which they own(ed) an interest
- The Management Agent named in Form A must add language to its affidavit certifying that:
  - They have reviewed the application including the operating budget

- They can effectively manage the property according to the requirements of the Code, this Allocation Plan, and the elections made by the Owner/Applicant in the application

#### K. Phase I Environmental Site Assessment

A full Phase I Environmental Assessment must be completed prior to application.

Regarding the date of the Phase I, one of the following will be acceptable to IHCD:

- A Phase I ESA report dated within six months of the application submission date; or
- If the Phase I ESA report is dated between six months and 18 months prior to the application submission date, the Applicant must submit an update to the report prior to closing if an update is required by the investor.

#### Required Documentation: Place in Tab K

- Environmental Phase I completed by an experienced and qualified disinterested third-party. The Environmental Phase I must address hazardous substances, wetlands, and flood plains. Wetland Delineation maps are required to document the existence of wetland areas on the site and must be included in the Environmental Phase I. If there are no wetland areas on the site, a wetlands delineation is not required .
- An affidavit from the entity completing the Environmental Phase I certifying that they are a disinterested third-party.
- If the Environmental Phase I identifies Recognized Environmental Conditions (RECs), the Applicant must submit a narrative describing how the RECs will be mitigated and how these costs will be paid.
- A FIRM floodplain map must be submitted with each parcel identified on the map. **IHCD requires official FEMA maps – third-party maps, even those created using FEMA data, are ineligible. If a FEMA map is not available for an area, the Applicant must submit a printout or screenshot of the FEMA website documenting that no map is available. In this specific instance, the Applicant may submit a DNR map in place of a FEMA map.** Maps may be downloaded from the FEMA website here: <https://msc.fema.gov/portal>.
- If hazardous substances, a flood plain, or wetlands are located anywhere on the site, the site plan must show the location of all buildings, common areas, and improvements in relation to the hazardous substances, flood plain, or wetlands. The Applicant must submit:
  - Evidence that the hazardous substances, floodplain, or wetlands can be mitigated.
  - A plan and budget for mitigating the hazardous substances, floodplain, or wetlands.

- Applications that propose the placement of buildings in a 100-year flood plain (Zone A1-30, AE, A, AH, AO, AR, or A99 as defined by HUD) must include the following documentation. **Note: A site located in any variation of zone “A” on the map is ineligible for HOME funding.**
  - A FEMA map for the areas in which the development site is located identifying the 100-year flood plain.
  - A FEMA Conditional Letter of reclassification for the property that indicates eligibility for reclassification out of the flood plain area.
  - A letter provided by a qualified licensed surveyor or civil engineer identifying necessary mitigation activities and costs for the site work involved in the reclassification.
  - A letter identifying the financing plan to cover the costs of reclassification.

For all properties that receive an award of RHTC and are located in a 100-year flood plain at the time of initial application, a final letter of reclassification from FEMA along with an elevation certification must be provided at the completion of the Development.

#### **L. Development Fund State Historic Review**

Applicants requesting Development Fund must submit the State Historic Review documentation as required by Indiana Code 14-21-1-18. Instructions for the Development Fund State Historic Review process can be found in the [Environmental Review Record and Section 106 User’s Guide](#) (“User’s Guide”). Applicants must determine if buildings or structures in the Development are listed individually in the State or National Register of Historic Places.

##### **Required Documentation:** Place in Tab K

- A map from IDNR’s [Indiana Historic Buildings, Bridges, and Cemeteries Map](#) tool to show proof of determination. Refer to Appendix 3 of the User’s Guide for directions on how to research your property. Refer to Appendix 9 for sample maps.
- If the Development sites or structures are listed in the National Register of Historic Places or the State register, IHCDA may request more information prior to sending the application to SHPO for the Certificate of Approval (CofA). The CofA review will take a minimum of 30 days once received by SHPO. Refer to the User’s Guide or [DNR’s website](#) for more information.

#### **M. Applicable State and Local Requirements & Design Requirements**

Applicant must certify they will follow all applicable conditions and requirements of State and local laws, statutes, regulations, ordinances, and other proper authorities, including the requirements specified in the application and such additional items which may be required by IHCDA (collectively "State Laws").

Additionally, Applicant must certify that the Development has been designed to comply with the requirements of all applicable local, State, and federal fair housing and accessibility laws. Development design must consider, at a minimum, the applicability of standards established through local building

codes, the Federal Fair Housing Act, the Americans with Disabilities Act, the Rehabilitation Act of 1973, and the Indiana Handicapped Accessibility Code, as amended.

**Required Documentation:** Certification in Form A (Application)

#### **N. Lead-Based Paint Pre-Renovation Rule**

Applicants who perform rehabilitation work on pre-1978 buildings are required to comply with the Lead-Based Paint Pre-Renovation Rule (“Lead PRE”) and the State of Indiana’s Lead-Based Paint Rules where applicable. For more information, visit [www.epa.gov/lead](http://www.epa.gov/lead) or <https://www.in.gov/isdh/26550.htm>

**Required Documentation:** Certification in Form A (Application)

#### **O. Commercial Areas**

Applicants proposing Developments with commercial areas must submit the following items.

**Required Documentation:** Place in Tab F

- A detailed, square footage layout of the building and/or property identifying all residential and commercial areas
- A timeline for construction showing that all commercial areas will be completed prior to the residential areas being occupied

#### **P. Appraisal**

If any portion of RHTC or any other IHCD resource is used for acquisition, eligible basis for acquisition credits will be calculated based on the lesser of the actual amount paid for the building or the appraised fair market value.

An appraisal is also required at time of Application if the Applicant is requesting IHCD Project Based Vouchers (PBV), even if not requesting acquisition credits. If requesting PBV from another housing authority, the Applicant will be required to submit the appraisal later as part of the subsidy layering review.

**Required Documentation:** Place in Tab L

The Applicant must submit a fair market appraisal (completed by a qualified appraiser), completed no earlier than six months prior to the application deadline. The fair market appraisal must be at a minimum an “As Is” appraisal and must adhere to the Uniform Standards of Professional Appraisal Practice (“USPAP”). A statement to this effect must be included in the report. USPAP standards can be found at [www.appraisalfoundation.org](http://www.appraisalfoundation.org).

## Q. Acquisition

1. If any portion of RHTC is used for acquisition, the Development must either be exempt from or meet the 10-year placed-in-service rule requirement of IRC Section 42(d)(2)(B)(ii).

**Required Documentation:** Place in Tab L

- A chain of title report from a title company; OR
  - A professional tax opinion from an unrelated party stating that the acquisition is either exempt from or meets the 10-year placed-in-service rule requirement of IRC Section 42(d)(2)(B)(ii); OR
  - A letter from the appropriate federal official that states that the proposed project qualifies for a waiver under IRC Section 42(d)(6) if a waiver of the 10-year placed-in-service rule is necessary.
2. If any portion of the RHTC is used for acquisition, the Applicant must disclose all Related Parties and the proceeds from the sale to each Related Party. See Schedule H “Glossary” for the definition of Related Parties.

**Required Documentation:** Place in Tab L

- An attorney’s opinion that the acquisition meets the related party limitation
- Completed Related Party Form (Form N)

## R. Rehabilitation Costs / Capital Needs Assessment

For applications proposing rehabilitation, the rehabilitation hard costs must exceed \$20,000 per unit. However, if the Development is competing in the Preservation set-aside, the rehabilitation hard costs must exceed \$30,000 per unit.

The costs of furniture and the construction of community buildings and common areas are not included in the minimum per unit amount. However, USDA Rural Development Section 515 properties may include the cost of construction for community buildings and common areas in the minimum per unit amount.

**Required Documentation:** Place in Tab L

Applications for rehabilitation Developments must include a capital needs assessment performed by an independent, Indiana licensed, qualified architect or engineer in the format required in Schedule F. For 9% applications, this must be submitted at least 30 days prior to the application deadline. For 4%/bond applications, this may be submitted with the complete application.

Applications for adaptive reuse Developments are not required to include a capital needs assessment but must include a structural conditions report from an independent, Indiana licensed, qualified architect or engineer. For 9% applications, this must be submitted at least 30 days prior to the

application deadline. For 4%/bond applications, this may be submitted with the complete application. The report must contain an assessment of any physical components that will be retained to verify their current condition and all necessary repairs.

#### **S. Tenant Displacement and Relocation**

The Applicant must provide a displacement and relocation plan if the Development will impact existing tenants.

**Required Documentation:** Place in Tab L

A detailed displacement and relocation plan that includes the following information:

- Any potential permanent, temporary, or economic displacement and relocation issues
- The number of current tenants to be relocated
- Where and for what length of time the tenants will be relocated during the rehabilitation
- How displacement will be minimized
- How relocation expenses will be paid, if applicable
- Relocation assistance plan (e.g. Who will get assistance? How much assistance will they receive? When and how will they receive their assistance? Who will provide advisory services to those displaced?)
- Anticipated relocation budget with itemized expenses. Note: Relocation expenses must also be listed in the development budget in Form A.

#### **T. IRS Form 8821 Information Authorization**

Upon request, the Applicant shall provide a completed IRS Form 8821 Tax Information Authorization for each Owner/General Partner. The form must be signed by an individual authorized to sign on behalf of the Owner.

#### **U. Threshold Requirements for Supportive Housing**

Applications competing in the Housing First set-aside must meet the following criteria:

- Applicant must successfully fulfill all requirements of the Indiana Supportive Housing Institute for the specific Development for which they are applying. To demonstrate that all Institute requirements have been met, the Applicant must obtain a letter from CSH certifying that:
  - The team attended all Institute sessions

- The project concept is aligned with Institute goals, including target population to be served and use of the Housing First model
- CSH has reviewed and approved the proposed development, operating, and service budgets, tenant selection plan, tenant involvement plan, property management plan, and supportive service plan. The Development Team must submit their draft budgets and plans to CSH 45-90 calendar days prior to the tax credit application submission deadline to allow time for review and comments.
- Applicant must enter into an MOU with CSH for ongoing technical assistance to be provided from completion of the Institute until at least the end of the first year of occupancy. A copy of the MOU must be provided with the application.
- Applicant must enter into an MOU with each applicable supportive service provider. A copy of each MOU must be provided with the application.
- Applicant must identify all subsidy sources for project-based rental assistance and provide all funding commitments with the application. If the funding has not yet been committed, Applicant must provide proof of application, a narrative describing the selection process, and a narrative describing how the Development will move forward if the application is denied. If Applicant is applying for Project Based Vouchers through IHCD, submit Form O.

**Required Documentation:** Place in Tab O

- CSH letter certifying completion of the Institute, review of applicable plans, and alignment with Institute goals, CSH Dimensions of Quality, and the Housing First model
- Copy of executed CSH MOU
- Copy of MOU with each applicable supportive service provider
- Documentation of commitment of subsidy sources for project-based rental assistance or narratives as described above
- If applicable, Form O to apply for IHCD Project Based Vouchers

**V. Irrevocable Waiver of Right to Request Qualified Contract Right**

All Applicants must irrevocably waive their right to request early termination of the extended use agreement through the Qualified Contract process. Applicants may not request a waiver of this threshold requirement at the time of application, and IHCD will not allow any early releases/exemptions from this requirement during the extended use period. All Developments receiving reservations under this Allocation Plan must meet the full 30-year extended use period obligation.

This waiver does not preclude the ability for ownership changes that maintain the affordability or for a request for a subsequent allocation of credits (i.e., resyndication) beyond Year 15.

## **Part 5.2 | Underwriting Guidelines**

The following underwriting guidelines apply to all Applications.

IHCDA will consider underwriting outside of these guidelines if supporting documentation is provided in Tab M, except in the case of HUD-mandated Project Based Voucher (PBV) underwriting guidelines which cannot be waived. IHCDA will issue a technical correction if the Application does not include an explanation and supporting documentation to justify why the underwriting is outside of these guidelines. IHCDA will issue a separate technical correction for each item that is outside of the underwriting guidelines. Approval of underwriting from other financing institutions or funding sources does not constitute acceptable supporting documentation.

A Development that depends on commercial income to meet the minimum underwriting guidelines will not be considered financially feasible.

### **A. Total Operating Expenses**

IHCDA will consider the reasonableness of operating expenses for each Development. All Developments must be able to underwrite with minimum operating expenses of \$4,500 per unit per year. The total operating expense calculation includes replacement reserve contributions but excludes debt service.

For Developments with Project Based Vouchers, cash flow (minus any acceptable reserve amounts) cannot exceed 10% of the total operating expenses. Cash flow is determined after ensuring all debt can be satisfied and is defined as total income to the project minus total expenses.

**B. Management Fee** – 5-7% of effective gross income (gross income for all units less vacancy rate).

# of Units	Maximum Management Fee Percentage
1 to 50 units	7%
51 to 100 units	6%
101 or more units	5%

**C. Vacancy Rate** – 6-8%, but not to exceed 7% for Developments with Project Based Vouchers.

- Exception: Applications proposing affordable assisted living must use a vacancy rate of 10-12%

**D. Rental Income Growth** – 0-2% per year

**E. Operating Reserves** – the greater of (1) minimum of four months of projected expenses including operating expenses, debt service payments, and replacement reserve payments or (2) \$1,500 per unit.

#### **F. Replacement Reserves**

Replacement reserves must be included in the operating budget. Contributions must be made to the reserve account starting on or before the conversion date of the construction loan to permanent loan and must be funded for the term of the Extended Use Period.

Minimum contribution requirements are as follows:

- Rehabilitation: \$350 per unit per year
- New Construction (age-restricted): \$250 per unit per year
- New Construction (non-age-restricted): \$300 per unit per year
- Single Family Units: \$420 per unit per year
- Historic Rehabilitation: \$420 per unit per year

If an Application proposes multiple construction types, the minimum contribution must be calculated based upon the unit mix. For example, if a proposed Development contains 30 age-restricted new construction units and 20 rehabilitation units, the calculation would be 30 units at \$250 per unit per year and 20 units at \$350 per unit per year.

Replacement Reserve funds must be used only for capital improvements (substantial improvements to the real estate such as re-roofing, structural repairs, or major projects to replace or upgrade existing furnishings) and must **not** be used for general maintenance expenses (replacement of individual appliances or minor repairs). Less restrictive provisions allowed by lenders or other funders must be approved by IHCD.

Replacement Reserve contributions must escalate at a rate of 3% per year.

For Applications proposing rehabilitation, IHCD will review the capital needs assessment to determine whether sufficient reserves have been established.

#### **G. Service Reserve**

All Applications competing in the Housing First set-aside or requesting points under the integrated supportive housing scoring category must establish capitalized service reserves to ensure that supportive services will be provided to tenants throughout the Compliance Period. Service reserves are allowed, but not required, for Applications competing in the Community Integration set-aside.

The amount of the service reserve must be based on Development size and service budget. The Application must include a copy of the anticipated service budget and a narrative describing the methodology used to determine the size of the proposed service reserve. Place in Tab M.

IHCDA may issue additional guidance via a Real Estate Department Notice to set a more standardized requirement on the allowable size (minimum and maximum) of the capitalized service reserve to reflect reasonable and customary expenditures and industry best practices.

#### **H. Operating Expense Growth – 1-3% per year**

Operating expenses must escalate at a rate at least 1% higher than rental income growth.

#### **I. Stabilized Debt Coverage Ratio**

The debt coverage ratio (DCR) projection for a Development must not go below 1.10 during the 15-year Compliance Period to be considered financially viable. Maximum DCR is defined by development type, as listed below:

- Large and Small City Developments: 1.15 – 1.40
- Rural Developments: 1.15 – 1.50
- Developments with Project Based Vouchers: 1.10 – 1.45

IHCDA calculates DCR before payment of deferred developer fee.

IHCDA recognizes that some deals may have a higher DCR at the beginning of the Compliance Period to remain viable over the 15 years. Documentation to support a higher DCR must be provided. However, for developments with Project Based Vouchers, the DCR must be in the range stated above for all years.

Applications submitted without debt will not have a DCR but will be required to have sufficient cash flow. This will be determined by an expense ratio of Effective Gross Income to Total Annual Expenses (including replacement reserve contributions). An expense ratio of 1.10 shall be the minimum required in Years 1-15 to be considered viable.

#### **J. Taxes and Insurance**

**Required Documentation:** Place in Tab M

Documentation or calculation of estimated property taxes and insurance for the proposed Development.

#### **K. Federal Grants and Subsidies**

Applications that include federal grants or subsidies structured as loans to the Development must demonstrate a reasonable expectation that the loan will be repaid in full at maturity in order to remain in eligible basis. The amount of a federal grant that is not structured as a loan to the Development must be removed from eligible basis.

**Required Documentation:** Completed Form A (Application). Place additional information in Tab G.

## **L. Basis Boost**

Applications for Developments located in a Qualified Census Tract (QCT) or Difficult to Develop Area (DDA) are eligible to increase eligible basis by up to 30% to determine the maximum credit amount. See Appendix E for a complete listing of QCTs and DDAs.

IHCDA may provide a discretionary basis boost of up to 30% to determine the maximum credit amount for 9% RHTC Applications which meet at least one of the following criteria.

- The Development is in an area officially declared as a disaster area by the State of Indiana and will assist in providing affordable housing to people affected by the disaster.
- The Application is competing under the Community Integration set-aside, Preservation set-aside, Housing First set-aside, or is eligible for points under the Integrated Supportive Housing scoring category.
- The Application demonstrates extensive site preparation requirements and/or off-site costs. All such work and associated costs must be deemed reasonable based on the circumstances.
- The Development consists of demolition and new construction, rehabilitation of historic structures, and/or conversion of existing structures.
- The Applicant commits to rent levels that maximize total points under Section G.1, “Rents Charged” scoring category.

Developments will not qualify for an additional discretionary boost if they have already received the eligible basis boost for being in a QCT or DDA.

**Required Documentation:** Place in Tab A

- Applications for Developments located in a declared disaster area must include: (i) documentation that the Development is in an area that has been officially declared a disaster area by the Governor and (ii) a narrative description of how the proposed Development will help the area and the individuals affected by the disaster.
- All other Applications must include a narrative explanation justifying the need to increase the eligible basis.

## **Part 5.3| User Eligibility and Limitations**

### **A. Development Limitations**

The amount of 9% RHTC reserved for an allocation to any Development may not exceed \$1,200,000.

For Applications requesting 4% RHTC and tax-exempt bond financing, the credit request may exceed \$1,200,000 if the Development has sufficient eligible basis.

## B. Developer Fee Limitations

- New Construction (9%): Developer Fee for new construction Developments must be the lesser of the total per unit amount (excluding market rate units) listed below or \$1,380,000.
  - \$23,000 per unit for the first 30 tax credit units
  - \$17,825 per unit for the next 35 tax credit units
  - \$13,800 per unit for the next 35 tax credit units
  - \$9,200 per unit for any tax credit unit above 100
- Rehabilitation or Adaptive Reuse (9%): Developer Fee for rehabilitation and adaptive reuse Developments must be the lesser of the total per unit amount (excluding market rate units) listed below or \$1,380,000.
  - \$25,300 per unit for the first 30 tax credit units
  - \$19,550 per unit for the next 35 tax credit units
  - \$16,675 per unit for the for the next 35 tax credit units
  - \$9,200 per unit for any tax credit unit above 100
- Tax-exempt Bond Developments: The maximum Developer Fee for Developments with tax-exempt bonds is 15% of eligible basis, but any amount over \$2,500,000 must be deferred and paid out of cash flow.

For 9% RHTC Developments with multiple construction types, each type must follow the limits above. For example, a Development with 20 units of new construction and 20 units of adaptive reuse would have a limit of \$966,000  $[(\$23,000 \times 20) + (\$25,300 \times 20)]$ .

NOTE: Consultant Fees, Guaranty Fees between related parties, or any similar fees, charges, or reimbursement for services customarily provided by an affordable housing developer or consultant will be considered separate fees. However, the sum of all these fees plus Developer Fee must be below the Developer Fee cap.

IHCDA will include deferred developer fee as a source of funding. No more than 60% of the Developer Fee may be deferred for 9% RHTC Developments and no more than 80% of the Developer Fee may be deferred for 4%/tax-exempt bond Developments.

To be included in eligible basis, deferred developer fee must be due and payable at a date certain. Fees may be paid as a cash flow loan if it can be demonstrated that the fee can and will be paid in a reasonable amount of time. Any deferred developer fee must be paid by the end of the 15-year Compliance Period to be included in basis. If fees are permanently contributed to the Development,

they must be paid to the Developer and then contributed to the Development if the fees are to be included in eligible basis.

**Required Documentation:** Place in Tab M

- A statement (i) disclosing each entity/individual receiving a portion of the developer fee along with the percentage of the fee the entity/individual will receive and (ii) describing the terms of the deferred repayment obligation to the Development including any interest rate charged and the source of repayment
- Non-profit organizations must include a resolution from the Board of Directors allowing such a deferred payment and interest obligation to the Development.

At the time of final cost certification, the Applicant must submit a Deferred Developer Fee Agreement evidencing the principal amount and terms of interest and repayment of any deferred obligation.

**C. Contractor Fee Limitations**

Contractor fees shall be limited as follows:

Contractor Fees	Contractor Fee % Limitations
General Requirements	6% of Total Construction/Rehabilitation Cost
Builder's Overhead	2% of Total Construction/Rehabilitation Cost
Builder's Profit	6% of Total Construction/Rehabilitation Cost
<b>Total</b>	<b>14% of Total Construction/Rehabilitation Cost</b>

IHCDA calculates the total contractor fee by taking the sum of General Requirements, Builder's Overhead, and Builder's Profit and then dividing by the sum of Site Work, New Building, Rehabilitation, and Accessory Building costs. Developer fees, site work not included in the construction contract, demolition hard costs, and hard cost contingency are not part of the calculation.

IHCDA will permit savings in a particular contractor fee line item to offset overruns in other contractor fee line items provided that the total contractor fee does not exceed 14%.

**D. Architect Fee Limitations**

The architect fee, including design and supervision fees, must be limited to 4% of the total hard costs plus site work, general requirements, overhead, profit, and construction contingency.

Applicants that propose an architect fee exceeding 4% must follow a competitive negotiation procedure per the guidelines in Schedule H.

IHCDA may further reduce the Architect design fees when the same design has been used in previous developments.

**Required Documentation:** If following a competitive negotiation procedure, place description in Tab M.

#### **E. Consultant Fee Limitations**

Consultant fee is a separate fee but must be included in the developer fee cap. See Part 5.3B above.

#### **F. Contingency Limitations**

Hard cost contingency may not exceed the following limitations. This is calculated by taking the hard cost contingency (line c8 in the itemized costs in Form A) divided by new building or rehab costs plus the site work that is included in the construction contract (line c1). General requirements, contractor overhead, and contractor profit (lines c5 – c7) are allowed to be included in this calculation.

Development Type	Hard Cost Contingency Limitation
New Construction	5% of hard costs
Rehabilitation of existing housing	15% of hard costs
Historic rehabilitation or adaptive reuse	20% of hard costs

For Developments with multiple construction types, each type must follow the limits above.

Soft cost contingency may not exceed 3% of total soft costs for any construction type. This is calculated by taking the soft cost contingency (line h7 in the itemized costs in Form A) divided by the sum of Contractor Fees (lines 5-7 of section c) plus architect and engineering fees (section d) plus other soft costs (section h). Developer Fee is not included as a soft cost in this calculation.

#### **G. Reasonableness of Project Costs**

IHCDA may disallow any line item costs, square footage costs, or total unit costs deemed to be unreasonable. Additional information may be required to substantiate the reasonableness of the cost. Any allocation made will be determined using IHCDA's assessment of cost.

#### **H. Related Party Fees**

The Applicant, Owner, Developer, and Consultant must disclose all Related Party fees submitted within the budget. Fees may include, but are not limited to, developer fee, consultant fee, architect fee, guaranty fee, owner's representative fee, broker fee, document review fee, supervision fee, syndicator fee, engineer fee, attorney fee, accountant fee, management fee, and contractor fee. "Related Parties" is defined in Schedule H.

Applications without Related Party involvement must still sign and submit Form N.

**Required Documentation:** Complete Form N and place in Tab J.

## Part 5.4| Minimum Development Standards

### A. Minimum Equipment and Accessibility Requirements

In addition to meeting all new construction and rehabilitation standards required by IRC Section 42 and local and State building codes, each Development must meet the following criteria:

- 1) Each unit must provide a stove or, in the case of single room occupancy (SRO) units, access to a communal stove.
- 2) Each unit must provide fire suppressors above stoves/ranges.
- 3) All Developments must install both smoke and CO detectors or combination smoke and CO detectors in accordance with Indiana Building Codes and NFPA 72. Smoke detectors in all existing buildings and rehabilitations shall be installed in all locations as required by Indiana Building Code for new construction. The smoke detectors shall be interconnected as required by Indiana Building Codes and NFPA 72
- 4) Owners must replace all smoke detectors within 10 years of installation, as per the requirements in NFPA 72.
- 5) At least 5% of the total units in rehabilitation/adaptive reuse projects or 6% of the total units in new construction projects must be accessible or adaptable, utilizing the International Code Council's Accessible and Usable Buildings and Facilities Standard Type A or Type B. All accessible and adaptable units must be labelled on the site plan and/or floor plans.
- 6) All common laundry facilities must have magnetic hold-open devices that will allow the fire doors to close upon activation of smoke/fire alarms.

### B. Minimum Design Requirements

The following design requirements apply to all new construction and to rehabilitation if the items are proposed as part of the rehabilitation scope of work. NOTE: For rehabilitation, new components, systems, appliances, etc. that will be utilized in any unit must be utilized in every unit of the Development.

- 1) The use of low maintenance exterior building finishes including brick, stone, hardy board, fiber cement siding, or vinyl siding. If vinyl siding is used it must be at least Residential Grade (.044") in thickness and carry a lifetime warranty.
- 2) All space heating/cooling systems must be sized using ACCA Manual J, GAMA H-22, or an accredited design professional's and manufacturer's recommendations.
- 3) Thermal insulated windows and entry doors with a minimum U-value of 0.35 or below
- 4) For all new construction building(s), energy efficiency must be demonstrated by meeting the minimum standards established by:
  - LEED rating system;
  - Bronze Rating National Green Building Standard;
  - Enterprise Green Communities; or

- Equivalent certifications that are accredited by the American National Standards Institute. Applicants wishing to use an alternative to those listed above must consult with IHCD prior to submission.
- 5) Roofing that use shingles must use anti-fungal shingles with a minimum 30-year warranty
  - 6) Buildings and units must be identified using clearly visible signage and/or numbers. Such signage must be well lit from dusk until dawn.
  - 7) Exterior railings must be of heavy-duty steel, aluminum, composite, or wood materials capable of supporting vertical and horizontal loads per Indiana Code.
  - 8) If clothes dryers are heated by combustible gasses, Excessive Flow Valves (EFVs) must be installed up-stream of the flexible gas line connectors.
  - 9) Exterior stairways, landings, and approaches must be designed so that water will not accumulate on the walking surfaces.
  - 10) All primary unit entry doors must have roof coverings at least three feet deep by five feet wide and contain a landing of the same minimum dimensions.
  - 11) Fireplaces are prohibited in residential units.
  - 12) Residential demising floors and walls separating units must be framed and insulated to prevent sound transmission of STC 50.
  - 13) New cabinets must include dual slide tracks on drawers. Cabinet doors, stiles, and drawer fronts must be made with quality materials other than particle board.
  - 14) Clothes dryer vent transition duct from flex to hard duct shall be made through recessed clothes dryer boxes.
  - 15) Flammables, gasoline, and/or gasoline powered equipment must not be stored in the same structure housing residential units unless separated by a four-hour fire wall and the storage space must not be accessible from inside the residential structure. Exception: a two-hour fire wall may be sufficient if the storage facility is equipped with a fire sprinkler system compliant with NFPA13R.
  - 16) All new construction developments must be built in accordance with the accessibility requirements of the Fair Housing Amendments Act of 1988. Rehabilitation developments must also meet the design and construction standards of the Fair Housing Amendments Act of 1988 if the first use of the building was after March 13, 1991. Section 100.205 of the United States Department of Housing and Urban Development (HUD) regulation at 24 CFR part 100 implements the Fair Housing Act's design and construction requirements. These specific design and construction standards can also be found in the appropriate requirements of the International Building Code (IBC) with the ICC A117.1 Accessible and Usable Building and Facilities, Fair Housing Accessibility Guidelines (FHAG), and in HUD's Fair Housing Act Design Manual.
  - 17) If a Development will receive federal funds (including HUD funding), the Development must be designed and built in accordance with the accessibility requirements of Section 504. These specific design and construction standards can be found in the Uniform Federal Accessibility Standards (UFAS) and in 24 CFR Part 8.

- 18) For rehabilitation of buildings constructed of a masonry shell, all exterior walls must either (1) contain an air barrier between the masonry and partition walls with properly aligned thermal and pressure boundaries or (2) be coated with materials that prevent air movement while allowing vapor transmission to escape the interior of the buildings' shells. Additionally, there must be a 1" air space between the masonry and air barrier on the partition walls that are within the building shell. This standard does not apply to buildings entitled to claim Federal historic rehabilitation tax credits.
- 19) Developments using fluorescent, high pressure sodium, mercury vapor, and/or metal halide lamps/lighting must implement a proper collection and recycling program. The owner must follow the EPA's Resource Conservation & Recovery Act for the proper disposal of the luminaires.

### **C. Accessibility Requirements for Age-Restricted Developments and Housing First set-aside:**

The following accessibility requirements apply to all age-restricted (55+ or 62+) developments and to all supportive housing developments competing in the Housing First set-aside.

- For New Construction:
  - All common areas must be accessible.
  - 100% of the units must be Type A or Type B units in accordance with Chapter 10 of the ICC A117.1.
  - Elevators must be installed for access to all units above the ground floor.
- For Rehabilitations & Adaptive Reuse without elevators:
  - All common areas on the main floor must be accessible.
  - 100% of the ground floor units must be Type A or Type B units in accordance with Chapter 10 of the ICC A117.1
- For Rehabilitations & Adaptive Reuse with elevators:

If the building(s) contained elevators/lifts prior to rehabilitation, the following requirements apply:

- The elevators/lifts must be maintained.
- All common areas must be accessible.
- 100% of the units must be Type A or Type B units in accordance with Chapter 10 of the ICC A117.1.

**Required Documentation:** Certification in Form A (Application)

### **D. Minimum Unit Sizes**

The net square footage is the total livable space within the interior walls of the unit excluding garages, balconies, exterior storage, and common areas.

Minimum unit size by development type and number of bedrooms					
Development Type	Efficiency & 0-BR Units	1-BR units (minimum 1 bath required)	2-BR units (minimum 1 bath required)	3-BR units (minimum 1 ½ baths required for all new construction)	4+ BR units (minimum 2 baths required for all new construction)
New Construction (except assisted living or Housing First set-aside)	375 sq. ft.	675 sq. ft.	875 sq. ft.	1075 sq. ft.	1275 sq. ft.
Assisted Living, Housing First set-aside, Adaptive Reuse, or Rehab/existing housing	350 sq. ft.	500 sq. ft.	680 sq. ft.	900 sq. ft.	1075 sq. ft.

**Required Documentation:** Completed Form A (Application) and floor plans with exact total net square footages printed clearly. Place in Tab F.

#### E. Universal Design Features

- Applicants must adopt a minimum of four universal design features from **each** Universal Design Column. IHCD A encourages the adoption of universal design features best suited to the proposed Development.
- IHCD A will accept proposed universal design features that are not listed in the columns below if they are relevant and necessary to the Development. If submitting a universal design feature not listed below, the Applicant must clearly describe the additional feature, provide justification for the necessity of its inclusion, and provide justification for the proposed column classification. The acceptance and classification of universal design proposals will be made by IHCD A on a case-by-case basis.
- Column Classification of Universal Design Features:
  - Features in Column A are regarded as higher cost and/or higher burden of inclusion.
  - Features in Column B are regarded as moderate cost and/or moderate burden of inclusion.
  - Features in Column C are regarded as lower cost and/or lower burden of inclusion.

<b>Column A</b>	<b>Column B</b>	<b>Column C</b>
Front loading washer and dryer with front controls, raised on platforms or drawers, in each unit or all laundry facilities	At least one entrance to the ground floor of each unit* is on a circulation path from a public street or sidewalk, a dwelling unit driveway, or a garage. That circulation path must be a ramp or sloped walking surface. Changes in elevation must not exceed ½".  *All one- & two-family dwellings only	Audible and visible smoke detectors in each unit

Remote controlled drapery, blinds, and/or curtains in 5% of the units	Handrails installed in all common area corridors	Countertop sinks with basin located as close to the front edge as possible in 10% of the units
Slip resistant flooring or carpet in each unit complying with ICC A117.1 Section 302.2	Cordless window blinds on every window in each unit	Self-closing drawers in kitchen cabinets in each unit
At least one bedroom on an accessible level in each multi-story unit		Mailboxes located between 24-48" above grade
Chair lift, platform lift, or private residence elevator in a multi-story unit		Toilets with seat height of 17-19" at least one bathroom in each unit
Low-power automatic doors at accessible exterior entrances		

**Required Documentation:** Completed Form A (Application)

#### **F. Smart Use Training**

Smart Use Training must be provided to onsite property management and maintenance staff and tenants during the Compliance and Extended Use Periods. Training and manuals should be separate (i.e. one manual for staff and one for tenants) and oriented toward the end user.

**Required Documentation:** Completed Form A (Application). The Smart Use Training curriculum for both onsite staff and tenants and documentation demonstrating participation by all onsite staff and tenants must be available for review at all times.

#### **G. Visitability Mandate**

Any Development involving new construction of single-family homes, duplexes, triplexes, or townhomes must meet the visitability mandate.

Visitability is defined as design that allow persons with mobility impairments to enter and stay, but not necessarily live, in a residence. Visitability features include, but are not limited to, zero-step entrances, proper door width, and an accessible bathroom on the main level. VISIBLE units must comply with the Type C unit criteria in ICC A117.1 Section 1005.

**Required Documentation:** Completed Form A (Application)

#### **H. Threshold Requirements for Affordable Assisted Living**

Developers and management companies of affordable assisted living must follow the Indiana Division of Aging’s “Aging Rule” for providers of home and community-based services. See Indiana Code 12-10-15 and Indiana Administrative Code 455IAC2.

**Required Documentation:** Completed Form A (Application)

#### **Part 5.5|Special Needs Housing**

All Developments must commit to setting aside 10% of the total units for occupancy by qualified tenants who meet the definition of “special needs populations” pursuant to Indiana Code 5-20-1-4.5. Special needs populations include the following:

- Persons with physical or developmental disabilities
- Persons with mental impairments
- Single parent households
- Survivors of domestic violence
- Abused children
- Persons with chemical addictions
- Persons experiencing homelessness
- The elderly

Additional information on this requirement can be found in Section 5 of IHCD’s [Rental Housing Tax Credit Compliance Manual](#).

**Required Documentation:** Completed Form A. Completed and executed Form K must be submitted with the project’s request for the issuance of Form 8609.

#### **Part 5.6|Waiver Requests**

IHCDA, in its sole discretion, will consider a waiver request from any Applicant, Owner, and/or Developer regarding any IHCDA Threshold Requirements including Underwriting Guidelines, User Eligibility and Limitations, and Minimum Development Standards except for those listed below. The Applicant must receive the waiver request no later than 30 days prior to the application deadline. The waiver request must include the following. After review, IHCDA will provide a written response to the request.

- The specific Threshold Requirement for which the Development is requesting a waiver
- A detailed description as to why the Development cannot meet the Threshold Requirement
- Any additional pertinent information
- Payment of the \$500 waiver request fee for each Threshold Requirement requested to be waived

IHCDA will not grant waivers for set-aside requirements, scoring, or the following Threshold Requirements:

---

- Maximum credit request (Part 5.3A)
- Prohibition on submitting a third application prior to issuance of Form 8609 in Indiana (Part 5.1F)
- Requirement to waive the right to request release of the extended use agreement through Qualified Contract (Part 5.1V)

### **Part 5.7 | Technical Corrections and Application Disqualification**

Applications that do not pass threshold on initial review due to technical errors or incomplete information will be provided an opportunity to submit additional information or clarifications through the following technical correction process:

- 1) IHCD A will send a letter to the Applicant specifying all items which failed threshold review.
- 2) The Applicant will be allowed 14 calendar days (the “Technical Correction Period”) to provide additional information or clarifications to IHCD A per the instructions provided in the technical correction letter. The Applicant must submit a \$500 resubmission fee for each technical correction. An Applicant will not be allowed to submit additional documentation during the Technical Correction Period to gain points in any scoring category.
- 3) IHCD A may overturn its assessment of a technical error if it is determined that the necessary documents were in fact included in the initial application submission or if the Applicant’s response proves there was no deficiency. IHCD A will determine if the additional documentation submitted during the Technical Correction Period is sufficient for the application to pass threshold.

This correction process will apply to deficiencies identified in supplemental applications for HOME, Development Fund, Housing Trust Fund, or any other IHCD A gap funding source. The Applicant will be required to submit the resubmission fee of \$500 per correction. Issues specifically related to a supplemental application will not count as technical corrections for purposes of disqualification or determining technical correction bonus points, with the following exceptions:

- Failure to submit the supplemental application fee will be considered a technical correction.
- Failure to submit the Development Fund historic review items per Section 5.1 L of the QAP will be considered a technical correction.

Applications with five or more Technical Corrections will fail threshold and be removed from consideration. Applicants who fail to respond to Technical Corrections by the set deadline will be automatically disqualified from further consideration.

- Applications for 9% credits may be resubmitted in the next funding round.
- Applications for 4% credits/tax-exempt bonds may be resubmitted after 60 days by submitting a new complete application, including applicable fees.

## Section 6 - Scoring Criteria

An Application that satisfies all applicable threshold requirements will be evaluated based on the scoring criteria defined in this Section.

Scoring Section	Total Number of Eligible Points
1. Rents Charged	16 Points
2. Development Characteristics	63 Points
3. Sustainable Development Characteristics	14 Points
4. Financing & Market	18 Points
5. Other	33 Points
Total Number of Points Possible	144 Points

Applicants seeking a 9% RHTC allocation must score 80 or more points to meet threshold. Applicants seeking 4% RHTC and tax-exempt bonds must meet a minimum score established by IHCD on a case-by-case basis (in no case lower than 40 points).

**To qualify for points, all required documentation (e.g., certifications, letters, etc.) must be issued/dated within six months prior to the application deadline.**

If two or more applications receive an equal total score and there are insufficient credits for both, the following tie breakers will be used to determine which receives a reservation:

- 1<sup>st</sup> Tie Breaker: priority will be given to the development located in a community that has not received tax credits within the past three years.
- 2<sup>nd</sup> Tie Breaker: if a tie still remains, priority will be given to the development with the lowest average rent restriction across all units.
- 3<sup>rd</sup> Tie Breaker: if a tie still remains, priority will be given to the development that requests the lowest number of tax credits per unit.
- 4<sup>th</sup> Tie Breaker: if a tie still remains, priority will be given to the development that competes under the highest number of set-asides.

### Part 6.1 | Rents Charged

All Developments must meet the minimum set-aside requirement for Section 42 through the election of the 40/60, 20/50, or Average Income minimum set-aside. If the proposed Development is the rehabilitation of an existing tax credit project, IHCD will not allow a change to the minimum set-aside election currently applicable to the project.

An Application will receive points as follows if the Applicant commits to lower rent targeting.

Points	% of RHTC units at or below 30% AMI Rent	TOTAL % of RHTC units at or below 50% AMI Rent (including units at or below 30%)
16	25%	50%
12	25%	40%
8	25%	25%
4	Less than 25%	33.33%

IHCDA encourages owners to distribute low-income units evenly among buildings in a mixed-income, multiple building Development.

Note: Per Section 42(g)(7), scattered site Developments may not contain market rate units.

<b>Maximum Number of Points</b>	<b>16</b>
---------------------------------	-----------

## Part 6.2 | Development Characteristics

### A. Development Amenities

An Application will receive up to six points for selecting amenities from the charts below:

- Two points for selecting ten or more amenities from Chart 1, with a minimum of two amenities from each column
- Two points for selecting five or more amenities from Chart 2, with a minimum of two amenities from each column
- Two points for selecting three or more amenities from Chart 3, with a minimum of one amenity from each column

All amenities selected by the Applicant should conform to the needs of the Development and its residents. Development amenities will be viewed as interchangeable within a column, provided the total number of amenities selected in each column remains the same.

NOTE: Specific requirements may apply for each amenity (See definitions in Appendix G).

Chart 1: Common Area Total of 10 Amenities		
A	B	C
Tenant Entertainment: Minimum of 2 Amenities	Common Area Convenience Minimum of 2 Amenities	Common Area Architectural Minimum of 2 Amenities
1. Playground	1. One parking spot per unit	1. Multiple building designs
2. Bike racks or bike storage lockers	2. Designated car wash facility	2. Multiple floor plans
3. Designated garden area	3. Garage for each unit	3. Steel frame
4. Fenced dog walking area	4. Carport for each unit	4. Architectural roofing shingles
5. Community room	5. Enclosed bus stop shelter	5. 100% brick, stone, or cement board exterior
6. Television in common area	6. Comfort conditioned common areas	6. Metal roof covering
7. Designated walking/jogging path	7. Daycare center	7. Slate roof covering
8. Billiards table	8. Beauty salon/barber shop	8. Soundproof unit separation assemblies
9. Basketball court	9. Laundry facility	
10. Fenced-in tennis court	10. Onsite property manager	
11. Gazebo	11. Onsite recycling service	
12. Picnic area with permanent grill	12. Pet washing area

2. Hardwood or tile floors	2. Doorbells
3. Individual porch/patio/balcony	3. Cable hook-ups
4. Walk-in closets or closets with high and low closet organizers	4. Motion detector lights for each unit
5. External individual attached storage	5. LED lighting
6. Pressure relief vents for all bedrooms, unless all bedrooms contain return air vents	6. Clothes washer and dryer
7. Kitchen pantry	7. Built-in dishwasher
8. At least 5% of the units have 3 bedrooms	8. Ceiling fan
9. At least 5% of the units have 4 or more bedrooms	9. Charging outlets with USB ports
10. Attached garage	10. Microhoods or microwaves provided in all units
11. Ceiling lights in each bedroom	11. Sliding barn doors for all interior doors
12. Coat or linen closet	12. Smart thermostats
13. Kitchen cabinets with pull shelves in lower cabinets and lazy-susans in corner cabinets

2. Security cameras at all entrances	2. Fire extinguishers
3. Site/parking area lighting	3. Fire sprinkler system (only if not required by code; see definition in Appendix G)
4. Security cameras at onsite bus stops	4. Documented fire extinguisher training for tenants conducted by a firefighting professional
5. Intercom / call system	5. Kitchen fire blanket
6. Peep holes on exterior doors	6. Emergency escape ladders
7. Keyless door locks (ex: proximity sensor or fingerprint scanner)	7. Tenant fire safety education/training
8. Bump-proof entry door locks	8. Posted speed limit & "Caution Children Playing" signs
9. Steel entry doors & frames	9. Fenced-in retaining ponds
10. Security alarm (doors)	10. Emergency lighting
11. Security alarm (windows)	11. Showers with a minimum area of 9 ft <sup>2</sup>
12. LED wall pack lighting on each building	

**Required Documentation:** Completed Form A (Application)

<b>Maximum Number of Points</b>	<b>6</b>
---------------------------------	----------

## B. Accessible or Adaptable Units

IHCDA encourages the inclusion of additional accessible and adaptable units. Applicants exceeding the minimum threshold requirements (5% of total units in rehabilitation/adaptive reuse projects, 6% of total units in new construction projects, or the requirements of Section 5.4C for age-restricted or Housing First set-aside development) will receive additional points.

The terms accessible and adaptable are defined as follows:

- An accessible unit is a "Type A" unit per the International Code Council's Accessible and Usable Buildings and Facilities Standard (ICC A117.1-2009 Section 1002).
- An adaptable unit is a "Type B" unit per the International Code Council's Accessible and Usable Buildings and Facilities Standard (ICC A117.1-2009 Section 1003).

Points will be awarded per the table below.

Accessible and Adaptable Unit Points			
	1 Point	3 Points	5 Points
<b>Non-Age-Restricted Developments</b> Percentages below are the percentage of total proposed units classified as accessible or adaptable.			
Rehab/Adaptive Reuse	7.0 - 7.9%	8.0 - 8.9%	9.0% or greater
New Construction	8.0 - 8.9%	9.0 - 9.9%	10.0% or greater
<b>Age-Restricted Developments or Housing First Set-aside</b> Percentages below are the percentage of total proposed units classified as accessible or adaptable.			
Rehab/Adaptive Reuse (without existing elevator)	8.0 - 8.9%	9.0 - 9.9%	10.0% or greater
New Construction or Rehab/Adaptive Reuse (with existing elevator)			100%

Percentage of accessible and adaptable units is calculated as follows:

$$\frac{\text{Total Accessible and Adaptable Units in Proposed Development}}{\text{Total Units in Proposed Development}} = \%$$

**Requirement for Developments of 16 units or less:** Applicants proposing Developments of 16 units or less must include at least two accessible or adaptable units to be eligible for points.

<b>Maximum Number of Points 5</b>
-----------------------------------

### C. Universal Design Features

Applicants are encouraged to adopt universal design features beyond the minimum threshold requirement. Applications will receive points as follows:

- Three points will be awarded to Applications proposing to adopt a minimum of 8 universal design features from **each** Universal Design Column.
- Four points will be awarded to Applications proposing to adopt a minimum of 9 universal design features from **each** Universal Design Column.

- Five points will be awarded to Applications proposing to adopt a minimum of 10 universal design features from each Universal Design Column.

Refer to the Section 5.3E for a list of universal design options.

**Required Documentation:** Completed Form A (Application)

<b>Maximum Number of Points</b>	<b>5</b>
---------------------------------	----------

#### D. Vacant Structure

An Application will receive points if the proposed Development converts space in a vacant structure(s) into rental housing or a portion for commercial use. The structure(s) must be 100% vacant at the time of application submission. Points will be awarded based on the percentage of the structure that is converted to affordable housing, commercial space, and/or common areas as follows:

50% of the structure's square footage	2 points
75% of the structure's square footage	4 points
100% of the structure's square footage	6 points

If any space in the existing structure will be used for a purpose other than housing, the Applicant must state the intended use. Eligible structures must contain at least one rental housing tax credit unit.

For projects comprised of multi-story buildings, all floors under the ownership of the tax credit development will constitute the development total square footage.

\*NOTE: Applications eligible for points in this category are NOT also eligible for points under scoring category F. Preservation or G. Infill New Construction.

**Required Documentation:** Completed Form A (Application). Certification of vacancy must be included in either the capital needs assessment or the structural conditions report.

<b>Maximum Number of Points</b>	<b>6</b>
---------------------------------	----------

#### E. Development is Historic in Nature

1) An Application will receive two points if at least 50% of the total units are in a building that meets one of the classifications below:

- A building that is individually listed on the National Register of Historic Places
- A building that is classified as a contributing resource to a district that is listed on the National Register of Historic Places

- A building that is individually listed on the Indiana Register of Historic Sites and Structures
- A building that is classified as a contributing resource to a district that is listed on the Indiana Register of Historic Sites and Structures
- A building that has received a local landmark designation through an ordinance by a local historic preservation commission
- A building that is classified as a contributing resource to a district that received a local landmark designation through an ordinance by a local historic preservation commission
- A building not already listed on the National Register of Historic Places but with an approved Part 1 application for Federal Historic Tax Credits and a recommendation for approval by the Indiana Department of Natural Resources Division of Historic Preservation and Archaeology

An Application can receive a maximum of two points in this scoring category. For example, a building individually listed on the Register and contributing to a district listed on the Register will not receive extra points for meeting two classifications above.

**Required Documentation:** Evidence for meeting one of the above classifications must be provided in Tab P.

- For a building individually listed on the National Register of Historic Places, provide a PDF printout from the National Park Service's searchable online database verifying the building is listed on the [Register](#).
- For a building that is a contributing resource to a district listed on the National Register of Historic Places, provide a PDF printout from the National Park Service's searchable online database verifying the building contributes to a district that is listed on the [Register](#).
- For a building individually listed on the Indiana Register of Historic Sites and Structures, provide a PDF printout from the Indiana Department of Natural Resources' Indiana State Historic Architectural and Archaeological Research Database (SHAARD) verifying the building is listed on the [State Register](#).
- For a building that is a contributing resource to a district listed on the Indiana Register of Historic Sites and Structures, provide a PDF printout from the Indiana Department of Natural Resources' Indiana State Historic Architectural and Archaeological Research Database (SHAARD) verifying the building contributes to a district that is listed on the [State Register](#).
- For a building designated as a local landmark, provide a copy of the local designation ordinance passed by the local historic preservation commission or board of a Certified Local Government as designated by the Indiana Division of Historic Preservation and Archaeology.
- For a building that is a contributing resource to a district designated as a local landmark, provide (1) a copy of a local designation ordinance passed by the local historic

preservation commission or board of a Certified Local Government as designated by the Indiana Division of Historic Preservation and Archaeology and (2) a copy of the district map from the nomination clearly identifying the property as a contributing structure or a letter from the Indiana Division of Historic Preservation and Archaeology or local historic preservation commission stating that the property is contributing to the district.

- For buildings not listed on the National Register but with an approved Part 1 application, provide a copy of the historic application and the approved Part 1 application signed by the Indiana Department of National Resources Division of Historic Preservation and Archaeology.

Documentation from a county interim report or a sites and structures survey is not sufficient documentation of historic designation status and will not be accepted.

- 2) An Application that will utilize Federal or State historic tax credits on the residential portion of the building and that has received a preliminary acceptance of a Part 2 application will receive an additional one point.

**Required Documentation:** Submit the preliminary acceptance of the Part 2 historic tax credit application by the Indiana Department of Natural Resources Division of Historic Preservation and Archaeology or from the National Park Service's National Register of Historic Places. Place in Tab P.

<b>Maximum Number of Points</b>	<b>3</b>
---------------------------------	----------

## F. Preservation of Existing Affordable Housing

An Application will receive up to six points for preserving existing affordable housing as follows:

\*NOTE: Applications eligible for points in this category are NOT also eligible for points under scoring category D. vacant structure or G. infill/new construction.

- I. Six points will be awarded for an Application that proposes the preservation of an existing Rental Housing Tax Credit project where the 15-year Compliance Period has expired or will expire in the current calendar year. The extended use agreement must still be in effect. IHCD will not allow a change to the minimum set-aside election currently applicable to the project or release the current recorded extended use agreement.

**Required Documentation:** Submit in Tab P. A statement from the Applicant that includes the following information:

- The Building Identification Number (BIN) for each building in the project
- The address of each building in the project

**OR**

- II. Six points will be awarded for an application that proposes the preservation of HUD or USDA affordable housing, including but not limited to Project Based Section 8, public housing, or Rural Development 515 properties.

**Required Documentation:** Submit in Tab P. Third-party documentation from the entity enforcing affordable housing restrictions evidencing the rent and income limits applicable to such property and the term of such restrictions.

**OR**

- III. Four points will be awarded for an application that proposes the preservation of any other affordable housing project.

**Required Documentation:** Submit in Tab P. Third-party documentation from the entity enforcing affordable housing restrictions evidencing the rent and income limits applicable to such property and the term of such restrictions.

<b>Maximum Number of Points</b>	<b>6</b>
---------------------------------	----------

#### **G. Infill New Construction**

An Application will receive six points for meeting the criteria for infill new construction. Infill new construction is defined as developing vacant or underused parcels of land within existing areas that are already largely developed or previously developed. This category includes demolition and new construction projects that meet the attributes below.

The proposed Development must meet each of the following infill attributes:

- The site must be surrounded on at least two sides by adjacent established development. Parks and green space may qualify as established development if they are part of a master plan or covered by a recorded instrument. IHCD will look at the entire development site for phased developments.
- At least one side of the site must be adjacent to occupied residential development, operating commercial development, active public space, or another active community activity.
- The site must maximize the use of existing utilities and infrastructure.
- For Developments with multiple buildings, at least 50% of the total units must qualify as infill.

The following activities will **not** qualify as infill new construction:

- Development on existing agricultural land
- Development on land most recently used for agriculture if that use was within the last five years

- Rehabilitation of existing structures

NOTE: Applications eligible for points in this category are NOT also eligible for points under scoring category D. vacant structure or F. preservation of existing affordable housing.

**Required Documentation:** Submit in Tab P.

- Aerial photos of the proposed site
- If qualifying adjacent site is an established park or green space, documentation of such must be submitted in the application
- Documentation from a zoning administrator or similar local official certifying the uses of the site over the past five years.

<b>Maximum Number of Points</b>	<b>6</b>
---------------------------------	----------

#### **H. Foreclosed, Abandoned, and Disaster-Affected Properties**

An Application will receive four points if the proposed Development demolishes buildings or redevelops on property that has been foreclosed, abandoned, or affected by a disaster. At least 50% of the total project units must qualify to receive points in this category.

- I. A property will be considered foreclosed upon at the point that the mortgage or tax foreclosure is complete. The title for the property must be transferred from the most recent property owner under a foreclosure proceeding or transfer in lieu of foreclosure in accordance with state or local law.

Properties that were acquired for redevelopment purposes by a government entity, land bank, or the Applicant that were foreclosed when acquired will be considered eligible properties.

**OR**

- II. A property will be considered abandoned when mortgage foreclosure or tax sale proceedings have been initiated for the property, no mortgage or tax payments have been made by the property owner for at least 90 days, and the property has been vacant for at least 90 days.

Properties that were acquired for redevelopment purposes by a government entity, land bank, or the Applicant that were abandoned when acquired will be considered eligible properties.

**OR**

- III. A property that was affected by a disaster, such as a fire, flood, or severe storm, within five years of the application deadline will be considered an eligible property.

**Required Documentation:** Submit applicable documentation in Tab P:

- i. If foreclosed, copy of applicable foreclosure documents
- ii. If abandoned, evidence from the mortgage lender and/or tax authority that payments have been delinquent for at least 90 days and that foreclosure or tax sale proceedings have been initiated
- iii. If affected by a disaster, documentation from a third-party confirming the event, the date of the event, and impact on the site. The appropriate authority must have condemned or deemed the site unsafe for occupancy as a result of the disaster.

<b>Maximum Number of Points</b>	<b>4</b>
---------------------------------	----------

#### **I. Community Revitalization Plan**

An Application will receive up to four points if there is an adopted community revitalization plan that clearly targets the neighborhood in which the Development will be located. A community revitalization plan may include, but is not limited to, a comprehensive plan, downtown master plan, neighborhood plan, or economic development plan.

The Applicant may only submit one community revitalization plan per community. If more than one plan is submitted for the same community, the Application is not eligible for points in this category.

The submitted plan must meet all the following criteria:

- Be dated or most recently updated/amended within 15 years prior to the application deadline date
- Include a map clearly identifying the target area that includes the proposed project site
- Outline detailed policy goals which include the rehabilitation or production of rental housing
- Include implementation measures for the achievement of such goals and housing activities
- Include an assessment of the existing conditions of the community

The following are not eligible:

- Short-term work plans, including Stellar Strategic Investment Plans
- Consolidated plans, municipal zoning plans, or land use plans
- Plans that do not reflect the current neighborhood conditions
- Planned Unit Developments (PUDs)

For scattered site projects, if each community does not have a qualifying plan, points will be determined by the percentage of units covered by a qualifying plan.

**Required Documentation:** Submit all documentation in Tab P:

- Documentation of the process used to develop and adopt the plan

- Details regarding community input and public meetings held during the creation of the plan
- A copy of the entire plan
- A map of the area targeted by the plan identifying the location of the project
- A narrative listing the location and page number of all required items within the plan

**Maximum Number of Points 4**

**Bonus point for LUG adoption:** The Application will receive one additional point if the plan has been adopted or certified by a local unit of government and meets all requirements above. For scattered site projects, all units must be covered by an eligible plan and each plan must be adopted or certified.

**Bonus point for QCT:** Per Section 42(m) and IRS Notice 16-77, allocating agencies must give preference to a proposed development located within a Qualified Census Tract (QCT) if that development is part of a concerted community revitalization plan. Therefore, an Application will receive one additional point if the plan meets all of the requirements above, has been adopted or certified by a local unit of government, and the site is located within a QCT. If the plan does not meet the requirements above or has not been adopted or certified, then the bonus QCT point will not be awarded. To be considered a development located within a QCT, at least 50% of the total units must be located within a QCT.

**Required Documentation:** Submit in Tab P:

- Documentation of the process used by the local unit of government to adopt or certify the plan
- Proof of adoption or certification of the plan

**Maximum Number of Points 2**

#### **J. Federally Assisted Revitalization Award**

The Application will receive up to four points if the proposed Development is a phase or component of one of the following initiatives:

1. HUD's Choice Neighborhoods program
2. HUD designated Promise Zone
  - i. Four points if the Applicant has a Certification of Consistency with Promise Zone Goals signed by the Promise Zone lead entity; or
  - ii. Two points if the Applicant does not have a Certification of Consistency
3. New Market Tax Credit Development
4. IHCD's Blight Elimination Program (BEP) or the Indiana Office of Community & Rural Affairs (OCRA) Blight Clearance Program (BCP)

- i. Four points if at least 50% of the proposed units or square footage will be located on sites assisted through the program; or
  - ii. Two points if at least 25% of the proposed units or square footage will be located on sites assisted through the program
- 5. A similar federal program that demonstrates the following components (Rental Assistance Demonstration (RAD), HOME, and CDBG do not qualify):
  - i. The program must target the de-concentration of poverty
  - ii. The Development must be part of a mixed income or mixed use phased community with a significant market component
  - iii. The Development must provide for community improvements or amenities, which may include but are not limited to, new or improved public infrastructure, green-space, improved transportation, or quality of life enhancements.

**Required Documentation:** Submit all documentation in Tab P.

- A copy of the grant/award agreement identifying the entity receiving the grant, the amount of the grant, and any time limits for use of the grant
- A letter from the Executive Director of the identified entity certifying that:
- The housing units are an essential element of that Plan; and
- The Tax Credits for the development proposed in the application are an essential component of the financing plan for the grant.
- For NMTC awards, a commitment letter from the entity awarding the credits. The letter may be a conditional commitment conditioned upon a successful LIHTC application.
- For BEP or BCP awards, evidence that the City has received the award and that the proposed sites were assisted through the program
- For Promise Zone (to receive four points), a copy of the Certification of Consistency with Promise Zone Goals

<b>Maximum Number of Points    4</b>
--------------------------------------

#### **K. Offsite Improvement, Amenity, and Facility Investment**

An Application will receive four points if an investment of resources will result in offsite infrastructure improvements or the development of parks, green space, shared amenities, or recreational facilities within a ¼ mile radius of the proposed project site.

- The proposed improvements, amenities, or facilities must be completed prior to the proposed placed in service date for the project, but no more than two years before the application deadline (or submission date for a 4%/bond application).

- The sources and uses of funding associated with the improvements, amenities, or facilities must not be part of sources and uses of the Development. If the Development cannot move forward without the improvements, the improvements will not qualify for points.
- Improvements must be outside the footprint of the building and outside the boundaries of the Development site.
- For scattered site projects, each site must have improvements within a ¼ mile radius.

Qualifying improvements, amenities, and facilities include, but are not limited to:

- Reconstruction of existing roads and streetscapes
- Reconstruction of vacant or blighted land with new infrastructure that promotes comprehensive revitalization such as new residential blocks and streets
- Development of parks, green space, or walking trails
- Development of community centers or similar facilities that promote cultural, educational, recreational, or supportive services
- Construction of sidewalks or streetscape
- Construction of shopping or retail center

The costs for the improvements must meet or exceed the amounts listed below based on the Application's applicable Development Location set-aside.

Development Location Set-aside	Minimum Cost for the Improvement
Large City	\$100,000
Small City	\$50,000
Rural	\$25,000

**Required Documentation:** Submit all documentation in Tab P:

- Conditional commitment of funds describing the improvements, including sources and uses and estimated timeline for completion, and confirming the cost of improvements within the ¼ mile radius of the development meet the minimum cost requirements above.
- Map showing a ¼ mile radius and the location and description of improvements. For scattered site projects, Applicant must ensure that IHCD can determine a ¼ mile radius from each site.
- A narrative describing how the improvements will benefit the tenants
- Approval from the local jurisdiction for any improvements within a public right of way

<b>Maximum Number of Points      4</b>

#### L. Tax Credit Per Unit

All Applications will be ranked based on tax credit request per program unit (not including market rate units). Points will be based on the following distribution.

Lowest Tax Credit Per Unit	80 <sup>th</sup> Percentile	60 <sup>th</sup> Percentile	40 <sup>th</sup> Percentile	20 <sup>th</sup> Percentile	Below 20 <sup>th</sup> Percentile
Points	2	1.5	1	0.5	0

**Maximum Number of Points 2**

#### M. Tax Credit Per Bedroom

All Applications will be ranked based on tax credit request per bedroom (not including bedrooms in market rate units). Points will be awarded based on the following distribution.

Lowest Tax Credit Per Bedroom	80 <sup>th</sup> Percentile	60 <sup>th</sup> Percentile	40 <sup>th</sup> Percentile	20 <sup>th</sup> Percentile	Below 20 <sup>th</sup> Percentile
Points	2	1.5	1	0.5	0

For the purposes of this calculation, an efficiency/studio unit will count as a one-bedroom unit.

**Maximum Number of Points 2**

#### N. Internet Access

An Application will receive up to four points for providing internet access to residents.

- One point if the Applicant commits to provide the necessary infrastructure for high-speed internet/broadband service in each unit
- Two points if the Applicant commits to provide free high-speed internet/broadband service for each unit
- Three points if the Applicant commits to provide free high-speed internet/broadband service for each unit if such service will be Wi-Fi.

An Application will receive one additional point if the Applicant commits to one of the options above and also commits to provide free Wi-Fi access in a common area, such as a clubhouse or community room.

**Required Documentation:** Completed Form A. Operating budget must include a line item for internet expenses incurred by the Owner if free internet service is provided to the tenants.

Submit the following in Tab T if providing free high-speed internet for each unit (two- or three-point option above):

- Documentation from the identified internet service provider establishing the total cost of internet service for the development, either as a whole or on a per-unit basis; or
- If Applicant is unable to obtain such documentation from the provider, submit a narrative establishing how the amount budgeted for internet service was calculated.

<b>Maximum Number of Points     4</b>
---------------------------------------

### **Part 6.3 | Sustainable Development Characteristics**

#### **A. Building Certification**

An Application will receive two points if the Applicant commits to exceeding the minimum green standards and all buildings register for and receive one of the following certifications. For Developments with multiple buildings, all buildings must meet one of the eligible certifications to qualify.

- LEED Silver Rating
- Silver Rating National Green Building Standard
- Enterprise Green Communities
- Passive House
- Equivalent certifications that are accredited by the American National Standards Institute may qualify for points. Applicants wishing to use an alternative to those listed above must consult with IHCD prior to application submission.

**Required Documentation:** Completed Form A. The Green Professional selected for the project must be part of the design team (but a separate person from the project architect or engineer) and that person must acknowledge all building certifications that are committed to in the team member's affidavit. Place in Tab J.

<b>Maximum Number of Points     2</b>
---------------------------------------

## B. Water Conservation

An Application will receive one point for installing one of the following types of high efficiency toilets. These items are interchangeable, and the Applicant does not have to select a particular option at the time of initial application.

- Ultra-low flush toilets ( $\leq 1$  gal per flush)
- Dual flush toilets

**Required Documentation:** Completed Form A. The Green Professional selected for the project must be part of the design team (but a separate person from the project architect or engineer) and that person acknowledge all energy efficiency/water conservation items that are committed to in the team member's affidavit. Place in Tab J.

<b>Maximum Number of Points 1</b>
-----------------------------------

## C. Desirable Sites

An Application will receive points if the proposed Development will be in close proximity and accessible to desirable facilities tailored to the needs of the tenants. For scattered site projects, points will be calculated by taking the average score of all units.

<b>Location efficient projects</b>	3 Points
<b>Transit oriented development</b>	2 Points
<b>Opportunity index</b>	6 Points
<b>Undesirable sites</b>	-1 Point per undesirable feature
<b>Total Points Possible</b>	11 Points

### Location Efficient Projects

This scoring category promotes developments located near healthy food options, community facilities, services, healthcare, and retail centers.

An Application will receive up to three points if the proposed Development is located within a ½-mile radius of at least three facilities from the list below (from a minimum of two categories) or within a one-mile radius of at least five facilities from the list below (from a minimum of two categories). One of the facilities must be a store with fresh produce, such as a supermarket or grocery store to qualify for the

maximum points in this category. Developments without access to fresh produce may receive partial points.

Stores with fresh produce must:

- Be currently established at the time of application.
- Be a physical location that offers in-person transactions.
- Have regular business hours.

**For the purposes of this scoring category, farmer's markets, produce stands, gas stations, convenience stores, dollar stores, and drug stores do not qualify as stores with fresh produce.**

Civic or Community Facilities	Services	Retail	Healthcare
Community or recreation center	Bank	Restaurant, café, diner	Pharmacy
Education facility (including K-12, university, adult education, vocational school, or community college)	Laundry or dry cleaner	Supermarket	Doctor's or nurse practitioner's office
Cultural arts facility (museum, performing arts theater, etc.)	Gym, health club, exercise studio	Other food stores with fresh produce (as defined above)	Optometrist
Police or fire station	Licensed adult or senior care	Clothing retail	Dentist
Public library	Licensed childcare	Other retail	Physical therapy office
Public park	Entertainment venue		Clinic
Post office			Hospital
Government office that serves public onsite			Immediate care facility
Social services center			Federally qualified health center (FQHC)
			Community mental health center (CMHC)

## Transit-Oriented Development

An Application will receive two points if the proposed Development is located within a ½ mile radius of fixed transit infrastructure.

- “Fixed transit infrastructure” is defined as light rail stations, commuter rail stations, ferry terminals, bus rapid transit stations, bus stops, major bus transit centers, or streetcar stops.
- If the fixed transit infrastructure does not yet exist, the transit investment must be planned, approved, and funded at the time of application. Transit investments that have been funded but not completed will be considered. Verification of funding must be provided.
- Rural and small city sites may qualify for this category if the Applicant provides documentation of an established point-to-point transit service within a ¼-mile radius of the site. The point-to-point service must be available to all residents and must be available at least three days a week with either regular service hours or on-demand pick up. Rideshare apps or taxi service do not qualify.

## Opportunity Index

An Application may earn up to six points, with one point for each factor. Points will be awarded if, as of the application due date, the proposed Development is located within an area that meets the qualifications below:

- High income: A county at the top quartile for highest median household income in the state based on the [most recent data from the US Census](#), if the Development is not within a QCT.
- Low poverty: A county at the bottom quartile for poverty rate in the state based on the [most recent data from the US Census](#), if the Development is not within a QCT.
- Low unemployment rate: A county that has an unemployment rate below the State average. <http://www.stats.indiana.edu/maptools/laus.asp>
- Access to primary care: A county with a ratio of population to primary care physicians of 2,000:1 or lower. <http://www.countyhealthrankings.org/app/indiana/2018/measure/factors/4/data>
- Access to post-secondary education: A development that is within a one-mile radius of the physical location of a university, college, trade school, or vocational school. Classes must be held onsite at this location for the school to qualify. The radius may be extended to three miles if the Application qualifies for transit-oriented development points.
- Access to employment: A development that is within a one-mile radius of one of the 25 largest employers in the county. The radius may be extended to three miles if the Application qualifies for transit-oriented development points. <http://www.hoosierdata.in.gov/buslookup/BusLookup.aspx>

- One point will be deducted if the proposed site falls within a census tract that is defined as a [Racially/Ethnically Concentrated Area of Poverty \(“R/ECAP”\) by HUD](#).
  - This deduction will not apply to applications competing in the Preservation set-aside.
  - This deduction will result in negative total points under the opportunity index scoring category if an application does not receive any of the opportunity index points above and loses a point for being in a designated R/ECAP. The lowest an application can score under opportunity index is negative one point.

#### **Undesirable Locations:**

One point will be deducted per undesirable location present if the proposed Development is found to be within a ½-mile radius of locations that may pose a public or environmental health risk. However, points may be preserved if the Development includes the remediation of these issues (including brownfield or greyfield redevelopment).

Undesirable locations are defined as any locations that produce objectionable noise, smells, excessive traffic, hazardous activity, etc., including but not limited to, junkyards, hazardous chemical factories, hazardous heavy manufacturing factories, power plants or stations, water/sewage treatment facilities, petroleum or other chemical storage, and railroads.

Other undesirable locations not specifically listed above but noted in the market study may also result in negative points.

**Required Documentation:** Completed Form A (Application) and a site map indicating all desirable or undesirable locations. Place in Tab Q.

The map must contain a key stating the type of facility/activity identified, and must include the following:

- Location of site including an indication of major access roads
- Indication of a ½-mile and 1-mile radius from the site
- Areas of residential, industrial, or commercial development adjacent within the 1-mile radius.
- All desirable facilities or activities, including locations of employers and educational facilities to claim opportunity index points if applicable
- All undesirable locations

The Applicant must submit a separate map for each site of a scattered site development. Points will be awarded based on the average score for all units.

The market study must contain current interior and exterior photos of grocery stores that are being claimed for fresh produce points. Stock photos will not be accepted. Interior photos are not required if the store is part of a recognized grocery chain.

NOTE: If maps meeting the above requirements are located within the market study, no additional maps are required. However, the Applicant must indicate the page numbers where the information can be found within the market study in the notes section of the application's self-score sheet (Form A). See additional market study requirements in Schedule C.

---------------------------------	-----------

## Part 6.4 | Financing & Market

### A. Leveraging Capital Resources

An Application will receive points for a firm commitment of non-IHCDA public or private funds to be used as capital funding for the Development. A firm commitment must not require any further approvals.

This may include federal, state, or local government funds or private funds, including but not limited to the following examples:

- The outstanding principal balance of existing direct federal debt or subsidized debt that has been or will be assumed in the course of an acquisition/rehabilitation transaction
- Funds from a local community foundation
- Funds already committed under programs such as local HOME and CDBG or the Federal Home Loan Bank's Affordable Housing Program (AHP)
- Waivers, such as tax abatement or a Payment In Lieu of Taxes (PILOT), resulting in quantifiable cost savings that are not required by federal or state law
- The value of donated land or property
- Public or private funds structured as loans with below market interest rates. Only permanent loans, not construction or bridge loans, will qualify.

Points will be awarded based on amount of leveraged resources as a percentage of total development cost:

% of Total Development Cost	Points
1%-2.49%	1
2.5%-3.99%	1.5
4%- 5.49%	2
5.5% -6.99%	2.5
7%-8.49%	3
8.5%-9.99%	3.5
10% or greater	4

**Required Documentation:** Place in Tab B.

A letter from the appropriate authorized official approving the funds. The letter must identify the source and amount of funding specific to the proposed Development. In the case of tax abatement, the local unit of government must estimate the monetary amount.

If the principal balance of any existing publicly funded or subsidized loan is to be assumed in the course of a proposed acquisition, the Applicant must submit approval of the loan assumption by the lender.

Land and building values must be supported by an independent, third-party appraisal.

For loans with below market interest rates, the lender letter must acknowledge that the rate offered is below its current market interest rate without any added fees or charges.

NOTE: An inducement resolution for bond volume will NOT be sufficient documentation to receive points.

<b>Maximum Number of Points</b>	<b>4</b>
---------------------------------	----------

#### **B. Non-IHCDA Rental Assistance**

Developments that have received a commitment of non-IHCDA funded rental assistance from a federal or state program will receive up to two points. The commitment can be conditional based on receipt of the tax credits, and in the case of Project Based Vouchers can be conditional on approval of subsidy layering review.

The rental assistance must meet the following criteria:

- Must be part of a federal or state rental assistance program
- Must be project-based rental assistance

- The term of the rental assistance agreement must cover at least the 15-year Compliance Period or have options for annual renewals.
- The rental assistance agreement must cover at least 20% of the units to receive two points or at least 10% of the units to receive one point.

**Required Documentation:** Place in Tab B. Commitment or conditional commitment letter from the funding agency. The letter must demonstrate that the rental assistance will meet all the requirements outlined above and must identify the payment standard used for setting rents.

<b>Maximum Number of Points</b>	<b>2</b>
---------------------------------	----------

### C. Previous 9% Tax Credit Funding within a Local Government

An Application will receive three points if the Development's proposed site falls within the boundaries of a local units of government (LUG) in which there has not been a 9% RHTC allocation within the last three allocation years as of the application due date.

If a Development's proposed site falls within the boundaries of a LUG in which there has been a 9% RHTC allocation within the last three allocation years, the Application will receive points based on the total number of RHTC units funded within the boundaries of that LUG in the last three allocation years. For Developments with sites within the boundaries of multiple LUGs, points will be calculated by taking the average score of all units.

Total Number of RHTC Units	Points	Total Number of RHTC Units	Points
0 units	3.0 pts	126-150 units	1.50 pts
1 – 25 units	2.75 pts	151-175 units	1.25 pts
26-50 units	2.50 pts	176-200 units	1.00 pts
51-75 units	2.25 pts	201-225 units	0.75 pts
76-100 units	2.0 pts	226-250 units	0.5 pts
101-125 units	1.75 pts	251 or more units	0 pts

<b>Maximum Number of Points</b>	<b>3</b>
---------------------------------	----------

#### **D. Census Tract without Active Tax Credit Projects**

An Application will receive three points if the proposed Development is in a census tract that does not contain any active RHTC projects of the same occupancy type (family, age-restricted, assisted living, or supportive housing) as defined below.

An Application will receive 1.5 points if the proposed Development is in a census tract that contains exactly one other active RHTC project of the same occupancy type.

If the proposed Development qualifies under the Preservation set-aside and the project being preserved is the only active tax credit project currently in the census tract, then the Application will receive three points. In this way, IHCDA rewards applications that seek to preserve the only existing tax credit project in the area.

For purposes of this scoring category, an active tax credit project is defined as a 9% or 4% tax credit project that is in its 15-year Compliance Period or that has received a reservation of credits but has not yet placed in service.

The following definitions apply to occupancy type:

- Family refers to any project that is not age-restricted, assisted living, or supportive housing.
- Age-restricted refers to a project that has elected to serve persons age 55+ or 62+ based on the Housing for Older Persons Act of 1995 definitions, if that project is not assisted living. If a project contains both independent senior and assisted living, that project will be classified as the type that has the most units. If there are an equal number of independent and assisted living units, the project will be classified as assisted living.
- Assisted living refers to an age-restricted project that provides assisted living services.
- Supportive housing refers only to supportive housing for persons experiencing homelessness. Integrated supportive housing projects will be counted as supportive housing.

Note: Community Integration set-aside projects providing supportive housing for persons with I/DD are treated as either age-restricted or family projects.

For Developments with units in multiple census tracts, points will be calculated by taking the average score of all units.

**Required Documentation:** Completed Form A (Application)

<b>Maximum Number of Points</b>	<b>3</b>
---------------------------------	----------

## E. Housing Need Index

An Application will earn up to three points with one point for each item below. Points will be awarded if, as of the application due date, the Development is located within:

- A county experiencing population growth, based on data from 2010-2019 pulled from STATS Indiana. A county is included in this list if it experienced positive net growth of at least 5% between 2010 and 2019 and experienced positive net growth between 2018 and 2019, the last year for which data is currently available.
- A county in which 45% or more of renter households are considered rent burdened, based on [HUD's Comprehensive Housing Affordability Strategy](#) data. Rent burdened is defined as paying greater than 30% of household income on housing.
- A county in which 25% or more of renter households are considered to have at least one severe housing problem, based on [HUD's Comprehensive Housing Affordability Strategy](#) data. A severe housing problem is defined as incomplete kitchen facilities, incomplete plumbing facilities, more than 1.5 persons per room, or cost burden greater than 50%.
- A county with less than 50 units for every 100 extremely low-income (30% AMI) renter households per the "[Mapping America's Rental Housing Crisis](#)" tool. To be eligible for points, a Development must create units that will be rent restricted at or below 30% AMI.

See Schedule L for lists of qualifying counties as prepared by IHCD.

<b>Maximum Number of Points</b>	<b>4</b>
---------------------------------	----------

## F. Lease-Purchase

An Application will receive two points if the proposed Development will offer homeownership opportunities to qualified tenants after the initial 15-year Compliance Period (per IRS Rev. Ruling 95-49). These points will be available only for single family, townhouse, or duplex units.

To qualify for these points:

- 100% of the units in the proposed Development must be made available as lease-purchase units
- At least 50% of the units must be three-bedroom units or larger
- Applicants must have a viable homeownership strategy and offer appropriate services to residents who inhabit the units during the Compliance Period. Please refer to the IHCD's RHTC Compliance Manual Part 6.8.D (Schedule A) for additional Lease-Purchase Program requirements.

Note: Developments that are electing to be age-restricted or that are competing in the Housing First set-aside are not eligible for these points

**Required Documentation:** Place in Tab R

- A detailed plan for the lease-purchase program that includes a limited partnership ownership exit strategy, homeownership counseling and other appropriate services for tenants, and a minimum amount of funds set aside by the owner to assist the resident in the purchase
- An executed agreement with the non-profit organization that will implement the lease-purchase program

<b>Maximum Number of Points</b>	<b>2</b>
---------------------------------	----------

## Part 6.5 | Other

### A. Certified Tax Credit Compliance Specialist

- 1) Management: An Application will receive points if the Management Agent contact person identified in the Development Contact page in Form A has been certified as a tax credit compliance specialist under one of the designations listed in the chart below. Property management consultants or subcontractors do not qualify as an eligible Management Agent. The Management Agent contact person identified in the Development Contact page in Form A must serve in a supervisory capacity and must be a different person than the designated Owner or Developer contact person.

One point will be awarded for the first certification and an additional point will be awarded for a second certification for a maximum of two points. To obtain two points, the certifications must be held by the same person who is the designated contact person in Form A.

- 2) Owner: An Application will receive one point if the owner has been certified as a tax credit compliance specialist under one of the designations listed in the chart below. An owner is defined as a principal of each general partner identified in the owner information chart within Form A. For non-profit organizations, the executive director/president will be considered the owner.

**B. Minority Business Enterprise (MBE), Women Business Enterprise (WBE), Federal Disadvantaged Business Enterprise (DBE), Veteran-Owned Small Business (VOSB), and Service-Disabled Veteran-Owned Small Business (SDVOSB)**

An Application will receive up to four points for committing to use MBE/WBE/DBE/VOSB/SDVOSB entities. Points will be awarded per the chart below.

Definitions:

- MBE and WBE, including DMBE (Disadvantaged Minority Business Enterprise), DWBE (Disadvantaged Women Business Enterprise), and DMWBE (Disadvantaged Minority Women Business Enterprise), mean an individual, partnership, corporation, or joint venture of any kind that is owned and controlled by one or more individuals who are United States Citizens and

members of a racial minority group or female in gender as evidenced by certification from the Indiana Department of Administration Minority & Women's Business Enterprise Division or the Indiana Minority Supplier Development Council.

- A DBE is a for-profit small business in which socially and economically disadvantaged individuals own at least a 51% interest and also control management and daily business operations. The Indiana Department of Transportation (INDOT) is the sole certifying agency for the Indiana DBE Program.
- The Center for Veteran Enterprise (CVE) maintains the Department of Veterans Affairs (VA) [Vendor Information Pages \(VIP\) database](#) of Service-Disabled Veteran Owned Small Businesses (SDVOSB) and Veteran-Owned Small Businesses (VOSB). CVE performs the VA VOSB/SDVOSB verification process for small businesses that represent themselves as veteran-owned and controlled.

"Owned and controlled" is defined as follows:

- For owners and developers:
  - Ownership of at least 51% of the enterprise (stock of a corporation, interest in a limited liability company, or general partner of a limited partnership)
  - Control over the management and active in the day-to-day operation of the business
  - An interest in the capital, assets, and profits and losses of the business proportional to the percentage of ownership
  - Materially participates in the management of the Development
- For contractors and management entities:
  - Ownership of at least 51% of the enterprise (stock of a corporation, interest in a limited liability company, or general partner of a limited partnership)
  - Control over the management and active in the day-to-day operation of the business
  - An interest in the capital, assets and profits and losses of the business proportional to the percentage of ownership.

A non-profit entity is eligible to receive points as an Owner/Developer, General Contractor, or Management Agent if at least 51% of the members of the Board of the Directors are minorities, females, or persons with disabilities as evidenced by the organization's By-Laws, Charter, or Articles of Incorporation. The organization must be a 501(c)(3) tax-exempt nonprofit organization and must serve as the Applicant, Owner, or Developer for the project.

Firm/Entity	1-4.99% of Total Development Cost	≥5% of Total Development Cost
Professional Services or General Contractor	0.5 point	1 point

Firm/Entity	4-7.99% of Total Development Cost	≥8% of Total Development Cost
Sub-contractors	0.5 point	1 point

Firm/Entity	
Owner/Developer	1 point
Management Agent* (minimum 2-year contract)	1 point

\*Management Agent must have control over all management activities for the Development. The Management Agent listed on the application must be used by the Owner for at least two years after Development completion unless the agent is guilty of material non-performance of duties. The Owner must request IHEDA approval for any substitution of Management Agent prior to the two-year period.

**Required Documentation:** Completed Form A.

The Owner will be required to provide all applicable contracts and certifications at the time of final application which demonstrate the committed percentages have been met.

<b>Maximum Number of Points</b>	<b>4</b>
---------------------------------	----------

### C. Unique Features

An Application will receive up to four points for proposing unique features that contribute to the Development or the surrounding community. This may include unit and common area amenities, financial structure, community support, location, and/or services offered to all residents.

IHCDA scores Applications by comparing all unique features proposed within an application round. Unique feature points are awarded at IHCDA's sole discretion using the distribution in the chart below.

% of Apps.	8%	13%	18%	22%	18%	13%	8%
Points	4	3.5	3	2.5	2	1.5	1

**Required Documentation:** Place in Tab A. Unique Features Narrative, not to exceed one page, identifying all features for IHCDA to consider as unique. This narrative must be a separate document from the three-page Narrative Summary.

<b>Maximum Number of Points</b>	<b>4</b>
---------------------------------	----------

### D. Tenant Investment Plan

An Application will receive up to six points for creating a Tenant Investment Plan. Applications must propose a combination of Level 1 and 2 services to receive any points.

<b>Level 1 Services</b>	<b>Level 2 Services</b>
<b>0.5 Points per Service</b>	<b>1 Point per Service</b>
Financial Literacy	Transportation
Computer Training	Parenting Classes/ Early Childhood Development
Credit Counseling	Light Housekeeping
Nutrition Classes	Outpatient Rehab

Animal Therapy	Substance Abuse Treatment
Employment Services	Case Manager
Meals on Wheels	TIP Coordinator
HIV Counseling, Testing & Education	Utility Assistance
Family Caregiver Support Program	
Symptom Management	
Smoking Cessation	
Residents' Association	

All services chosen by the Applicant should conform to the needs of the Development and its residents. Services will be viewed as interchangeable within a column, provided the total number of services selected in each column remains the same.

**Required Documentation:** Completed Form A. Evidence of the specific services selected, including copies of service agreements, must be submitted with the project's request for the issuance of Form 8609.

<b>Maximum Number of Points</b>	<b>6</b>
---------------------------------	----------

#### **E. Integrated Supportive Housing**

An Application will receive up to six points if the proposed Development will create Integrated Supportive Housing, defined as housing in which between **20-25%** of the total development units are designated as supportive housing for persons experiencing homelessness. Applications proposing that 100% of the units will be supportive housing are eligible to compete in the Housing First Set-aside but are **not** eligible for points in this scoring category.

Applications must meet the following criteria to qualify for six points:

1. Applicant must successfully fulfill all requirements of the Indiana Supportive Housing Institute for the specific Development for which they are applying. Participation in the Institute is based on a competitive RFP selection process.

To demonstrate that all Institute requirements have been met, the Applicant must obtain a letter from CSH certifying that:

- i. The team attended all Institute sessions
  - ii. The project concept is aligned with Institute goals, including target population to be served and use of the Housing First model.
  - iii. CSH has reviewed and approved the proposed development, operating, and service budgets, tenant selection plan, tenant involvement plan, property management plan, and supportive service plan. The Development Team must submit their draft budgets and plans to CSH 45-90 calendar days prior to the tax credit application submission deadline in order to allow time for review and comments.
2. Applicant must enter into an MOU with CSH for ongoing technical assistance to be provided from completion of the Institute until at least the end of the first year of occupancy. A copy of the MOU must be provided with the application.
3. Applicant must enter into an MOU with each applicable supportive service provider. A copy of each MOU must be provided with the application.
4. Applicant must identify all subsidy sources for project-based rental assistance and provide all funding commitments with the application. If the funding has not yet been committed, Applicant must provide proof of application, a narrative describing the selection process, and a narrative describing how the Development will move forward if the application is denied. If Applicant is applying for Project Based Vouchers through IHCD, submit Form O.

Applications will receive three points for proposed Developments that meet the above definition of integrated supportive housing but that were not developed through the Indiana Supportive Housing Institute. However, the supportive housing team (developer, management agent, and service provider) must all have completed a previous Institute in Indiana together as a team.

Applications must meet the following criteria to qualify for three points:

1. The Applicant must obtain a letter from CSH certifying that:
  - i. The primary team members (developer, management agent, and service provider) have all completed a previous Indiana Supportive Housing Institute together as a team.

- ii. The project concept is aligned with Institute goals, including target population to be served and use of the Housing First model.
  - iii. CSH has reviewed and approved the proposed development, operating, and service budgets, tenant selection plan, operation plan, and supportive service plan. The Development Team must submit their draft budgets and plans to CSH 60-90 calendar days prior to the tax credit application submission deadline in order to allow time for review and comments.
2. Applicant must enter into an MOU with CSH for ongoing technical assistance to be provided through at least the end of the first year of occupancy. A copy of the MOU must be provided with the RHTC application.
3. Applicant must enter into an MOU with each applicable supportive service provider. A copy of each MOU must be provided with the RHTC application.
4. Applicant must identify all subsidy sources for project-based rental assistance and funding commitments must be provided with the RHTC application. If the funding has not yet been committed, Applicant must provide proof of application, a narrative describing the selection process, and a narrative plan on how the development will move forward if the application is denied. Applicants that have not completed the Institute for the specific project for which they are applying are NOT eligible to request IHCDCA Project Based Vouchers.

**Required Documentation:** Place in Tab O

- CSH letter certifying completion of the Institute (six points) or previous Institute completion (three points), review of applicable plans, and alignment with Institute goals, CSH Dimensions of Quality, and the Housing First model
- Copy of executed CSH MOU
- Copy of MOU with each applicable supportive service provider
- Documentation of commitment of subsidy sources for project-based rental assistance or narratives as described above
- If applicable, Form O to apply for IHCDCA Project Based Vouchers. Applications eligible for three points may not request IHCDCA project-based vouchers.

Maximum Number of Points	6
--------------------------	---

## F. Smoke-Free Housing

An Application will receive three points for committing to operate as smoke-free housing. To receive points, the Application must include a smoke-free housing lease addendum that includes the following items:

- Definition of smoking, which must include electronic cigarettes and vaping as a form of prohibited smoking

- Language stating that smoke-free rules apply not only to residents but also their guests on the property, staff, etc.
- Explanation of where smoking is prohibited on the property. Smoking must be prohibited in individual units and all interior common space. The lease addendum must either establish the entire property as smoke-free or identify a designated smoking area on the property. A designated smoking area must not be within 25 feet of any buildings.
- Explanation of how smoke-free rules will be enforced (i.e. what happens if a tenant does smoke in the building)

IHCDA recommends the American Lung Association of Indiana’s “Smoke Free Housing Toolkit” as a resource for creating a smoke-free housing policy. See <http://insmokefreehousing.com> for more information.

**Required documentation:** Completed Form A and a copy of the draft lease addendum meeting the requirements above. Place lease addendum in Tab T.

<b>Maximum Number of Points</b>	<b>3</b>
---------------------------------	----------

## G. Reducing the Impact of Eviction

Applications will receive up to three points if the Applicant commits to implementing strategies that reduce the impact of eviction on low-income households.

- An Application will receive two points if the Applicant commits to creating an Eviction Prevention Plan for the property. A qualifying Eviction Prevention Plan must be drafted prior to initial lease-up and submitted to IHCDA for review and approval. The plan must address how the property will implement management practices that utilize eviction only as a last resort and must describe strategies that will be taken with tenants on an individualized basis to attempt to prevent evictions when issues arise. The plan will be reviewed as part of IHCDA ongoing compliance monitoring to ensure it remains in place. In addition, the Applicant must agree to submit data on evictions as part of the Annual Owner Certification of Compliance reporting.
- An Application will receive one point if the Applicant commits to implementing low-barrier tenant screening to minimize the impact of previous evictions on a household’s ability to secure future housing. The Applicant must agree that the project’s Tenant Selection Plan will not screen out applicants for evictions that occurred more than 12 months prior to the date the household applies for a unit. A qualifying Tenant Selection Plan must be drafted prior to initial lease-up and submitted to IHCDA for review and approval. The plan will be reviewed as part of IHCDA ongoing compliance monitoring to ensure this requirement remains in place.

Additional guidance and samples for eviction prevention and tenant selection plans will be provided by IHCD in the 2021 Compliance Manual.

**Required Documentation:** Completed Form A and an affidavit from the Management Agent. The affidavit must have specific language acknowledging that the Management Agent is aware that the Applicant has committed to implementing eviction prevention strategies. Place affidavit in Tab J.

<b>Maximum Number of Points</b>	<b>3</b>

#### H. Technical Corrections

After completing threshold review, IHCD will award bonus points for Applications that have no more than two technical corrections. See Section 5.7 for details on technical corrections and the Technical Correction Period.

Number of Technical Corrections	Bonus Points
0-1	4
2	2
3 or more	0

<b>Maximum Number of Points</b>	<b>4</b>
---------------------------------	----------

#### I. Lack of Progress on Issuance of Form 8609

If any Applicant, Owner, and/or Developer has received an RHTC award in a previous round and that Development (“Delayed Development”) was not issued IRS Form 8609 within 36 months of the date of the Carryover Agreement, any application submitted during subsequent funding rounds will be assessed a five-point penalty.

EXCEPTION: The penalty will not apply if the Applicant, Owner, and/or Developer has since received Form 8609 for the Delayed Development and received Form 8609 on at least one other Development within 36 months of its date of Carryover Agreement subsequent to the issuance of Form 8609 for the Delayed Development.

Any Applicant, Owner, and/or Developer representing a Delayed Development will continue to receive the penalty on each subsequent application until they have fulfilled the requirements above.

<b>Maximum Penalty</b>	<b>-5</b>
------------------------	-----------

#### **J. Owners Committed to Serving Qualified Tenants for the Longest Periods**

To incentivize the preservation of affordable housing and protect the tax credit program by ensuring that owners are completing the intended 30-year extended use period for all tax credit projects, negative points will be assessed if the Applicant, Owner, and/or Developer has terminated the extended use period on an existing project.

Negative points will be assessed as follows:

- -2 points if the Applicant/Owner/Developer or principal thereof has requested a Qualified Contract release for any one project in Indiana after January 25, 2021
- -4 points if the Applicant/Owner/Developer or principal thereof has requested a Qualified Contract release on more than one project in Indiana after January 25, 2021
- -4 points if the Applicant/Owner/Developer or principal thereof has experienced a foreclosure that resulted in the release of an extended use period on a tax credit project in Indiana after January 25, 2021.

<b>Maximum Penalty</b>	<b>-4</b>
------------------------	-----------

## Section 7 - Miscellaneous

IHCDA will make all reasonable attempts to reserve all available Rental Housing Tax Credits in one scheduled application and reservation cycle. However, a waitlist may be formed from those applications that did not receive a preliminary reservation of credits in the main round. If additional credits become available, IHCDA may make a reservation announcement for applications on the waitlist according to ranking of the waitlist and funds available.

### Part 7.1 | Application Dates

Dates for the rounds are as follows:

2022 Annual 9% Rental Housing Tax Credit Round	
Application Deadline	Anticipated Reservation Date
July 26, 2021, 5:00 PM Eastern Time	November 18, 2021

2022 Annual Private Activity Bond Round	
Application Deadline	Anticipated Reservation Date
N/A – Open application round	90-120 days from the application submission, with possible delays during the 9% application round

### Part 7.2 | Fees

All fees must be paid through IHCDA's online payment portal. IHCDA will no longer accept checks for application fees. If a payment is returned for insufficient funds, the application will be immediately denied.

#### A. Application Fee

All Applicants must submit non-refundable application fees with each application.

- All Applicants must submit a \$3500 RHTC application fee.
- If the proposed Development contains sites in multiple jurisdictions, the Applicant must submit a \$500 fee for each additional jurisdiction.

- If the Application requests IHCD supplemental funding including HOME, Development Fund, Housing Trust Fund, or Project Based Vouchers, the Applicant must submit a \$1000 supplemental application fee for each source requested.

## **B. Conditional Commitment Reservation Fee**

Applicants receiving a reservation of RHTC for a proposed Development must pay a non-refundable reservation fee within 30 days after the date of a Conditional Commitment. This fee equals the greater of 6.5% of the annual amount of RHTC for the Development or \$15,000.

## **C. Additional Fees**

IHCDA will assess the Applicant a fee for any costs incurred for additional or extraordinary services requested by or required of the Applicant, Owner, or Developer. All such fees must be paid prior to issuance of IRS Form 8609 or before any subsequent application will be considered.

The following is a non-exhaustive list of fees for typical services. Each fee must be paid at the time of request and must be received before IHCD will proceed with its review/process.

Fee Amount	Description of Service
\$500	Resubmission fee for each technical correction identified during threshold review
\$1,000	Modification fee to request changes in the characteristics of the Development, such as unit type, distribution, or targeting, or for changes to scoring
\$1,000	Loan modification fee to request changes to IHCD loan terms after execution of an LOI
\$1,500	Legal modification fee if an approved modification requires IHCD to amend legal documents, including but not limited to the Extended Use Agreement (lien) and any loan documents
\$1,000	Re-underwriting fee if changes to the project sources and uses or pro forma require IHCD to re-underwrite
\$500	Fee to request the waiver of a threshold requirement. This fee must be paid at the time of request.
\$1,000*	Fee to request an extension to any deadline established in the QAP, Schedules, or Appendices.

	*The amount of the fee will increase by \$500 for each subsequent extension request. For example, the second extension request for the same deadline would be \$1500.
\$1,500	Fee to request an amended IRS Form 8609 due to an error in the submission of Final Application documentation.
\$1,500	Fee to request an amended Carryover Agreement resulting from a change in the building identification numbers or other modification (i.e. legal description errors, etc.).
\$1,500	Fee to request changes in the ownership structure

### Part 7.3 | Use of Forms

IHCDA requires the use of the forms included in the Forms section of this QAP, as amended from time to time. Any deviations from or changes to the language must have prior written approval from IHCDA.

### Part 7.4 | Progress Inspections

IHCDA's inspector must be notified in writing when construction begins (via a to-be-created Form). The inspector will conduct periodic progress inspections throughout the construction period, and the Developer agrees to comply with all such inspections.

### Part 7.5 | Changes in Ownership

If a change in ownership occurs, a detailed description of the change must be provided in writing to IHCDA via the "Property Ownership Change Form."

IHCDA must approve any change in ownership or transfer request if made prior to the issuance of IRS Form 8609 for any Development that has received an allocation of Rental Housing Financing and/or Bonds.

IHCDA must be notified of any change in ownership or transfer if made after the issuance of IRS Form 8609. However, IHCDA must approve the change of ownership if the development has other IHCDA financing and/or if the development is subject to the nonprofit material participation requirements of the Qualified Not-for-Profit set-aside. Failure to notify IHCDA of changes in ownership for RHTC and/or Bonds after the issuance of IRS Form 8609 could result in the allocation being rescinded and/or possible non-compliance issues.

See Schedule B for IHCDAs' Ownership Change procedures.

## **Part 7.6 | Development, Financing, and/or Applicant/Owner Modifications**

Modifications to the Development that affect threshold requirements, scoring items, and/or IHCDAs' financing terms in any way without prior written approval from IHCDAs may result in a reduction and/or rescission of IHCDAs' funding (including private activity tax-exempt bonds). Modification requests are subject to the fees outlined in Part 7.2.

To request a modification, the following documentation must be submitted to IHCDAs for consideration:

- a. Formal written request, signed by the Applicant, Owner, and Developer if different entities, detailing (1) the specific request, (2) the reason the modification is needed, and (3) the impact to the project in the event the modification is not approved.
- b. Modification fee of \$1,000. \*Note: additional fees may apply if legal documents must be amended or the modification requires IHCDAs to re-underwrite the application, per the fee chart in Part 7.2.
- c. Updated Form A that reflects changes to the original application based on the proposed modification.
- d. At its discretion, IHCDAs may request additional supporting documentation, including proof that the equity investor has approved the modification.

IHCDAs will not consider modification requests to change the development site, unless the development is a scattered site project and the site to be modified contains two or less units.

Failure to maintain the project's final score from initial application to final application may result in penalties, including but not limited to a fine and/or suspension. The penalty will apply to the Applicant, Owner, Developer, and/or other applicable Development Team members at the discretion of IHCDAs.

## **Part 7.7 | Carryover Allocations and Lock-In Agreements**

All necessary forms (the Carryover Agreement or Lock-In Agreement along with all supporting documentation) must be submitted by the IHCDAs' imposed deadline. IHCDAs require the use of the Carryover, Lock-In Agreement, and 10% Cost Certification forms provided with this QAP. Any deviations from or changes to the language must have prior approval from IHCDAs.

## **Part 7.8 | Issuance of IRS Form 8609**

Each IRS Form 8609 will only be issued once. However, in exceptional circumstances IHCDAs may, in its sole discretion and upon receipt of additional fees (as determined by IHCDAs), elect to review additional circumstances that may allow for the issuance of an amended IRS Form 8609. All documents requested shall be submitted to IHCDAs in a timely manner as defined by IHCDAs.

The entire Final Application and Final Cost Certification package to request IRS Form 8609 must be submitted in a format acceptable to IHCD as soon as possible after the Development has been placed in service, but no later than six months following the issuance of the Certificate of Occupancy/Substantial Completion for the Development and/or the placed in service date of the last building in the Development.

Within one year prior to a request for and issuance of IRS Form 8609 the property management staff assigned to the Development and the owner of the Development must receive an IHCD Rental Housing Tax Credit Compliance Seminar completion certificate. (See item h below for more information.) The management agreement between the owner and the management agent must be for a minimum of two years effective at the placed in service date, as evidenced in the management agreement. However, if replacement of the management agent is warranted prior to the expiration of the two-year period and the Development received points for Minority Owner Business Enterprise (MBE) or Woman Owned Business Enterprise (WBE), the new management must also satisfy these criteria.

The owner must submit at a minimum the following documentation to IHCD within six months from the time the Development is placed in service:

- a. Pre-8609 Physical Inspection Request Form: This form should be submitted as soon as possible after the entire Development is placed in service, even if the other documents for the 8609 package are not available. IHCD will then conduct a physical inspection (the “Pre-8609 Inspection”) of the property. All items from the physical inspection must be addressed before IHCD will issue IRS Form 8609; See Form H.
- b. Completed Final Rental Housing Finance Application and Cost Certification (Electronic PDF Format);
- c. Copy of Final Score Sheet demonstrating Applicant has maintained the score from the Initial Application. Failure to maintain the project’s final score from initial application to final application may result in penalties, including but not limited to a fine and/or suspension. The penalty will apply to the Applicant, Owner, Developer, and/or other applicable Development Team members at the discretion of IHCD.
- d. Certificate(s) of Occupancy for each building in the Development or Certificate(s) of Substantial Completion for all rehabilitation Developments (Electronic PDF Format);
- e. All permanent financing closing documents (Electronic PDF Format of the recorded copy);
- f. All construction financing documents (Electronic PDF Format);
- g. Current partnership agreement or limited liability company operating agreement, including all exhibits and schedules executed by the limited and general partners or managing member (Electronic PDF Format);

- h. Recorded Lien and Extended Use Agreement, executed by Owner, lender and IHCD. Before this document is recorded, IHCD must review and execute it. This process must be done before the Final Application is submitted and the IRS Form 8609 review process has begun;
- i. Prior to request for and issuance of IRS Form 8609, an agent of the property management staff must have attended an IHCD sponsored tax credit compliance workshop or completed the online Housing Credit College course entitled "Housing Credit 300: Compliance Basics for Indiana Properties" within the last year. Additionally, an Owner who has not been issued an 8609 from IHCD within the past three years must have attended an IHCD sponsored tax credit compliance workshop or completed the online Housing Credit College course entitled "Housing Credit 300: Compliance Basics for Indiana Properties" within the last year.
- j. Executed Development Agreement (Electronic PDF Format);
- k. Copy of deed showing partnership as owner (Electronic PDF Format);
- l. Executed Management Agreement (Electronic PDF Format);
- m. Photographs of the completed Development (exterior and interior);
- n. Documentation of MBE/WBE participants. If participants have changed since initial application, copy of the signed contract/agreement and a copy of the entity's certification from the Indiana Department of Administration must be submitted (Electronic PDF Format);
- o. Owner affidavit of services being provided to the Development along with the term for services provided and cost to the tenants; and
- p. Any other documents that IHCD may require in determining the final amount of RHTC to be allocated to the Development and the Development's conformance with the requirements of Section 42 (Electronic PDF Format).

IHCD anticipates issuing IRS Form 8609 within 90 business days after the requested materials have been submitted. Incomplete or insufficient documentation will result in a delay of the issuance.

## **Part 7.9 | Dissemination of Information**

Any application submitted to IHCD for an allocation of RHTC or Private Activity Tax-exempt Bonds is available for dissemination and publication to the general public.

To request a copy of an application, follow the [IHCD public records request process](#).

## **Part 7.10 | Exchange of Credits**

An Applicant may return previously allocated credits to IHCD in exchange for an allocation of current year credits in an amount not to exceed the amount of the returned credits. The Applicant must establish that despite its timely and diligent efforts, it is in jeopardy of failing to meet the placed-in-

service deadline for the building with respect to which the prior credits were allocated as a result of either:

- a. Litigation brought by parties other than the Applicant and that the Applicant could not have anticipated; or
- b. Catastrophic events that the Applicant could not reasonably have anticipated or controlled.

To qualify for the exchange of credits, the Applicant must provide supporting documentation with evidence of:

- a) Due diligence performed by the Applicant in attempting to meet the placed-in-service deadline;
- b) The specific circumstances causing the delay that jeopardizes the Applicant's compliance with the placed-in-service deadline;
- c) The attempted remedial measures taken by the Applicant in order to mitigate the delay; and
- d) Any other information that may be requested by IHCD.

No more than one exchange of credits may be approved with respect to a given Development. To request an exchange of credits an Applicant must submit to IHCD, no later than November 1st of the year in which the Development is required to be placed in service (based on the original allocation), a letter setting forth the reason justifying the exchange and including all of the following:

- a) A narrative describing the need for the exchange of credits and all attempts by the Applicant to meet the original placed-in-service deadline.
- b) A new Form A
- c) The application fee set forth in Part 7.2
- d) Payment of a nonrefundable reservation fee of 4.0% of the annual amount of Rental Housing Tax Credits for the Development
- e) Supporting documentation of the Development's continued eligibility under the requirements of the QAP as in effect at the time of the original allocation
- f) Supporting documentation of the development's continued financial feasibility

In order to complete the exchange, the allocation must be returned under Section 42 Treasury Regulation 1.42-14 and a new carryover allocation must be completed for the allocation.

## Part 7.11 | Requesting Additional IHCD Resources after a Credit Allocation

Developments that request additional IHCD resources after a tax credit allocation is made will be subject to sanctions if the funding request is approved by IHCD's Board of Directors. Possible sanctions include, but are not limited to:

- Up to two-year suspension of the Applicant, Owner, Developer, and/or other applicable Development Team members at the discretion of IHCD.
- A fine to the Applicant, Owner, Developer, and/or other applicable Development Team members in an amount at the discretion of IHCD.

This penalty does not apply to developments applying for short term construction or equity bridge loans.

## Part 7.12 | Performance Violation

IHCD in its sole and absolute discretion shall have the right to impose the following sanctions upon Applicants, Developers, Owners, consultants, management agents, contractors, and any other applicable Development Team member and/or entity for failure to perform or comply in accordance with the certified initial or final application or the policies and procedures of the Qualified Allocation Plan.

- **Fines:** Failure to comply or perform in accordance with the certified initial or final application or the policies and procedures of the Qualified Allocation Plan may result in a monetary fine.
- **Reduction of Credits:** Failure to comply or perform in accordance with the certified initial or final application or policies and procedures of the Qualified Allocation Plan may result in the reduction of credits.
- **Suspension and/or Debarment:** IHCD may suspend a Development Team member who is suspected of misusing, abusing, or otherwise failing to use IHCD resources properly, pending completion of an investigation. IHCD may debar a Development Team member on reasonable evidence that the Development Team member has behaved or is behaving improperly with regard to IHCD resources, whether intentionally or unintentionally. The difference between suspension and debarment is that a suspension is used to allow IHCD to determine whether a debarment or other action is warranted pending completion of an investigation. Therefore, a suspension is intended to be an indefinite but temporary measure until IHCD determines whether debarment is appropriate. Upon determination that a Development Team member will be suspended, IHCD will issue a written notice of the suspension. Following completion of the investigation, IHCD will send the Development Team member a written notice of its final decision.

### **Part 7.13 | Ongoing Reporting and Compliance**

All Applicants that receive a RHTC allocation must comply with the Code and all requirements of *IHCDA's Rental Housing Tax Credit Compliance Manual*, as amended from time to time.

All Owners and Management Agents must list all IHCDA-funded properties in the Affordable Housing Database at [www.indianahousingnow.org](http://www.indianahousingnow.org) and must submit Annual Owner Certifications and tenant events through the [IHCDA Online system](#).

**Summary of Proposed Policy Changes to HCV Administrative Plan**

Chapter:	Chapter 6
Purpose:	Align HCV Policy with other HUD and IHCDCA rental assistance programs
Summary:	The minimum rent for participants was reduced from \$50 to \$25. This new policy aligns the HCV program with IHCDCA's PBCA rental assistance program and IHCDCA's Section 811 PRA program. The minimum rents for the PBCA and Section 811 PRA programs are set at \$25 nationally by HUD regulations.

Chapter:	Chapter 11
Purpose:	Simplify reporting requirements to increase program compliance
Summary:	The deadline to report household changes was increased from 15 days to 30 days to align with the requirement to provide two paystubs as documentation of income.

Chapter:	Chapter 8
Purpose:	HQS inspections reduced to bi-annual
Summary:	Due to Covid-19, HQS inspections were suspended in spring of 2020. In order to maintain compliance with the administrative plan, the annual inspection requirement is being reduced to a bi-annual inspection requirement. Emergency inspections are still required in cases where a HQS violation is reported to IHCDCA by a program participant. Initial inspections are still required on all units.

Page:	Chapter 17
Chapter:	Change to tri-annual re-certifications for fixed-income households
Summary:	Fixed income households residing in Project Based Voucher units will now only be required to provide income documentation for their annual recertification every three years. In years where they are not required to provide income documentation for their recertification, their income will be calculated using the cost of living adjustment factor published annually by the Social Security Administration. Households will still be required to report changes in their household composition and changes in earned income.
